Dear Sir,

Please refer to your trailing email.

We are willing to provide in-plant training to 6 of your students (Mechanical-3 and Electrical-3) for a period of 5 months starting from July '13 subject to a payment of Rs.6,000/- per student for the five month period. The amount is to be paid by the student at the time of commencement of the training.

No other facility will be extended to the students.

The students should be covered by insurance for their health and accident coverage and BHPV Management will not accept any liability whatsoever in this respect.

Regards.

S V Subba Rao,

DGM (L&A),

BHPV Ltd., Visakhapatnam.

SUNMICRO TECHNOLOGIES

SUNMICRO was established in 2011. A leading Business-to-Business Software Solutions and Information Technology provider. Our vision at the time of inception was to bring our extensive experience in solving businesses' new online challenges to the rapidly changing Media and Publishing Industry.

The growing demand for digital solutions including eContent development, distributions and content access across multiple mediums not only poses a challenge to publishers but offers an opportunity for the creation of new revenue streams. SUNMICRO' experience and expertise in eMedia and technology makes these opportunities a reality.

Established in 2011 as an independent company, SUNMICRO now partners with leading publishers around the world crafting innovative solutions to help cut production costs, save time on new product development, monetize legacy content and open new revenue streams through globalization and electronic distribution, all ultimately increasing their bottom line and securing their growth potential.

Our end-to-end solutions package includes: Editorial, Design, Art, and Production, eBooks, Interactive Text/Work Books and eLearning services. With a wealth of technology experience and publishing knowledge, we provide our customers with a complete e-publishing plan that is executed as a successful component of their personal organizational strategy.

Our Approach

Trust

Our team works hard to earn your trust by providing the right solutions to complex business scenarios, setting realistic expectations, providing timely and accurate information, meeting deadlines and achieving all goals.

Partnership

We work with our customers as true partners to develop a deep understanding of their business needs, expectations and challenges. This understanding helps us craft customized solutions that address each of our customer's specific goals resulting in greater returns on investment for their products and technology.

Transparency

When you partner with SUNMICRO for any service, you can expect complete operational visibility for your project. Our Teams report the status on each task or deliverable and provide accurate, up to date information about the overall status of project from start to finish. This helps the stake holders or business users develop confidence in the system, which is a cornerstone for any successful implementation. Our primary goal is to help our customers cut costs, increase profits, and reduce time to market schedules.

Company Overview:

Sudaksha Education Enterprise, a unit of XRG Consulting Pvt. Ltd. (herein after referred to as **Sudaksha**) is instituted to transform and empower the fresh graduates with right technical & corporate acumen to make them employable and Industry ready since the year 2006. We are operating from 4 locations within the state of AP with a transforming capacity of approximately 1500 per year with an employee base of over 40 currently.

- **Key Objectives:**

  1. To enhance employability among fresh graduates (currently only 12-15% are getting absorbed as part of campus placements)
  2. Improve quality of technical education among Higher Educational institutions by running an integrated IT finishing school at/off Campus for better Campus placements

- **Value Proposition:**

  - 50% year on year improvement in delivering employable students from Academic Institutions and Quality of Teaching among the Faculty.
  - Corporate Connect for higher technical institutions in providing off campus placements and project internships.

***Important Note**: with effect from July 16th 2012, all of the operations of 3Edge Solutions in State of AP have been transferred under Sudaksha3Edge for operational ease while both entities continue to use the same branding. Visit www.3edge.in*

Our Achievements

- Operational in 8 centres across India with a transforming capacity of over 1200 graduates per quarter.
- Strategic Partner in Graduate Sourcing & Training for 4 of Top 10 Indian IT companies
- Government of Andhra Pradesh awarded the status of "Knowledge Partner" for employability enhancement in IT and ITES sectors
- Built more than 5000 successful careers through our Finishing School till date
  - More than 90% students placed in reputed IT firms
  - 3Edge program, recognized to be the best by *Scope International* for their Entry Level Associates globally.
  - DST officially recognizes 3Edge Program to be the best for their ELT.
- Over 6000 Under Graduates / Graduates are empowered by 3Edge Integrated **"on campus training programs"** till date.
- 28 colleges are associated with 3Edge across India till date
  - 8 colleges have integrated 3Edge course curriculum into their regular course.
- Over 1500 Faculty have undergone our Faculty Development Program (FDP) till date in teaching pedagogy and core IT 'industry related' technologies & concepts

Our Industry Associations

Sudaksha3Edge enjoys the privilege of being a strategic sourcing and training partner for Cognizant Technology Solutions, Scope International, DST Worldwide Services, Semantic Space, Servion Global Solutions, and HCL

Dear Sir,

Sub: To Participate in Practice School and Campus Placement program of KLU

We, Princeton IT Services Pvt. Ltd., wish to participate in KL University's Practice School / Campus Placement for the academic year 2013-14.

Princeton IT Services Pvt. Ltd., is a sister organization of Princeton IT Services inc., NJ, USA. Since its inception in 2008-9, Princeton IT Services Inc., has been providing various services / solutions viz. Database Consultancy, Information Security, Software development, Systems automation and Staff augmentation.

Princeton IT Services Inc., started its off-shore activities in the financial year 2012-13 and its full-fledged activities commenced in June 2013 from Hyderabad.

We intend to select students pursuing final semester of their final year of the under graduate courses in Computer Science / Information technology and Electronics and Communication streams. The selection process and other terms and conditions are mentioned in Annexure I.

Please arrange to convey the convenient time to visit your institution in order to participate in the Practice School / Campus Placement activities.

Thank you for your time,
Yours Sincerely,

Yaganti Ravi Kumar
Vice President,
Princeton IT Services Pvt. Ltd.

Subject: Re: FW: Resume's for M/s Toptalent, Hyb

Dear Mr. Rao,

As we discussed, we couldn't shortlist anyone this year as none of the students posses the skill which we are looking for i.e php, javascript, ajax, jquery in short web development experience. Unfortunately we won't be able to hire anyone this year. Thanks.

Kind Regards,
Varun

No. Trg/28/VT/

Date: 12/10/2013

To
D V P R Sridhar,
Manager Industrial Practice School,
Regional Office,
K.L University,
Visakhapatnam.

Dear Sir,

With reference to personal discussion of Sri DVPR Sridhar, Manager-Finishing School & Placement, with the below signed, on **12/10/2013**; we are pleased to inform you that we will provide Finishing School Programme commencing on **16/12/2013** to the following **52(Fifty Two)** students for a period of **20** weeks, on chargeable basis.

10(Ten) of **IV Year EEE,**
10(Ten) of **IV Year ECE,**
10(Ten) of **IV Year Mechanical,**
10(Ten) of **IV Year Civil,**
8(Eight) of **IV Year Bio Technology** and
4(Four) of **IV Year CSE**

You may advise the student to report to the undersigned **on 16/12/2013** by 9.30 am.
You are further requested to advise them,

1. To bring the copy of this confirmation letter at the time of joining without fail.
2. To bring photo ID card issued by your institute and 3 recent passport size photographs.
3. **To come prepared to pay the training charges as per the terms and conditions given below in the form of a challan at Bank of Baroda, in Steel Plant premises, at the time of joining.**
4. **To arrange for their leather shoes and safety helmet (to ensure their own safety) if the student is required to go to the shop floor as part of their training.**
5. **That the students have to make their own arrangements for accommodation and transport during their training at VSP.**
6. That VSP is located at a distance of 30 km, from Visakhapatnam railway station.

Yours Sincerely,
For Visakhapatnam Steel Plant

We are pleased to confirm an intake of four (4 nos.) students for Practice School Program as per following details during the period December, **2013 to April, 2014:**

No.	Branch of Engineering	No. of Students required			Skill sets, if any
		Male	Female	Total	
1)	Bio-technology	-	-	-	
2)	Civil	-	-	-	
3)	CSE	-	-	-	
4)	ECE	-	-	-	
5)	ECM	-	-	-	
6)	EEE			2	
7)	Mechanical			2	Basics of Power plant Engineering
	Total			4	

We have noted the following:

1) The duration of Practice School is for ONE SEMESTER.
2) The period of Practice School is from December, 2013 to April 2014. We understand that the actual dates and calendar would be communicated to us in due course.
3) The proposed places of work for these students are mentioned below:

(a)	(b)	(c)
Maintenance Department	Electrical Department	

4) The proposed job descriptions are given below (please add additional sheet, if required):

Branch	Job description
EEE	Conservation of Electrical Energy in Process Plants
ME	Performance rating of Vapour absorption Machine.

Factory & Regd. Office: DOKIPARRU, GUNTUR-522 439, AP

About Us

Dependency of Humanity on water can never be over emphasised, survival itself depends on availability of water in the purest form. Day to day life of human beings depend, among other things, Industries and Agriculture can not thrive without water.

Water is "every thing" and without water it is "nothing".

Thus, it becomes all the more necessary to carry the water in its purest form the source to the needy areas, be it plains, hills and terrains of uneven contours.

The major conduit for carrying this water has been Cast Iron Double Flanged Pipes.The use of this material is century old practice-proven, consistent, easy to handle, easy to install and above all Economical. These pipes absorb contraction, expansion and shocks.

LOKESH FOUNDRIES PRIVATE LIMITED, VIJAYAWADA.

Lokesh Foundries, at Vijayawada has understood the importance of this aspect of life in its own way and has decided to contribute & share its social responsibility.

The Foundry has started manufacturing Cast Iron Double Flanged Pipes, specials and C.I valves in sizes ranging from 80mm to 600mm dia upto 2.75 metre length confirming to **IS:7181 and IS:1538**. It also manufactures the complete range of the required specials which go along with the pipes, with having quality certification of I.S.O.9000:2008 certified by KBS Certification Services Pvt Ltd. Having valid I.S.I License vide certification number CM/L-3366764, MSME Certificate Number 28 016 12 00076.

And the management is one of the Board Member of B.I.S (Pig Iron and Cast Iron Sectional Comittee, MTD 6) Union Government of India Specifications. CII member, Andhra Chamber of Commerce & Industry member.

The Infrastructure

To bring out a quality product the need for a very effecient infrastructure is undisputable. Understanding this fact LOKESH FOUNDRIES (P) LIMITED. has been established itself with the best infrastructure to manufacture the products to suit various requirements and with highest quality standards.

- LOKESH FOUNDRIES is an approved ISO-9000-2008 company.
- LOKESH FOUNDRIES is a B.I.S approved, ISI mark licenced company for IS-7181.
- LOKESH FOUNDRIES (P) LIMITED is located on the Chennai-Kolkatta National Highway 5.

Scanned by CamScanner

- Covers an area of 12,500 yards which includes a built area of 35,000 .sq.ft.
- It has 100x350 single carpet shed equipped with 35000 sq.foot covered area.
- 4 EOT cranes; of 5ton,3ton,1ton,2ton load capacity respectively.
- Machine shop which is capable of producing finished goods of capacity 300 Tons per month.
- 2 Centerless Lathe machines of upto 600m.m. diameter machining facility.
- Hand moulding and heavy casting facility.
- Online carbon equivalent analyzers with pyrometer temperature indicator
- 2 cold blast furnaces of 5 metric ton & 2.5 metric ton perhour melting capacity each.
- Hydrostatic testing machine of upto 25 kg.cm.sq.
- Hot dipping paint/bituminum tar coating facility for corrosion resistivity.

Quality Statement

Lokesh Foundries, at Vijayawada has started manufacturing Cast Iron (Spun) Pressure Pipes in sizes ranging from 100mm to 300mm dia of 5.5 meter or shorter length upto 3.0 meter confirming to **IS: 7181-1538**. It also manufactures the complete range of complete specials which go along with the pipe.

This foundry has choosen the "**Batchwise Sand Moulding Prpcess**" with standard patterns jigs & fixes for the manufacture of these pipes unlike the rest of the few manufacturers in the country who have adopted "De Lavaud" process.

Advantages of this process:

- Less manufacturing and processing time.Hence, quicker delivery.
- Less Cost of Productin, hence customer is benifitted.
- Complies all the requirement parameters of **IS:7181-1538**.
- Less Energy and Fuel Consumption, resultimg in National Savings.
- Less Capital Investment.

Strength of the product:

- Corrosion Resistance.
- Longer Life.
- High Vibration absorbing capacity.
- Better wear resistance.
- Better load carrying capacity.
- Better shock absorbing quality.
- Being designed for push on joint, total arrest of leak from the joint is assured.

All the products undergo strict hydraulic tests for leak check and any defective piece is immediately discarded.All the consignments taken up by Lokesh Foundries are inspected by the 3rd party agencies that include SGS, Bureau Veritos, Avanti Guarde, DGS & S, Panchayat Raj RWS quality control unit, Chennai Metro Water works quality control unit, TWAD Board
