

Student excursion at ARS, Amaravathi, Guntur, 24th July, 2023

The KL College of Agriculture Agronomy section conducted a student excursion programme as a practical part of the course organic farming (AGRO 304) at Agricultural Research Centre, Amaravathi, Guntur district. There the students (3rd yr Batch 2020-21) were acquainted with different types of biofertilizer production under the guidance of Dr. P. Lakshmipati, Principle Scientist, ARS, Amaravathi.
