EVENT DESCRIPTION :

CEA activity of CSE department was conducted in Government High School, Mellempudi Village in Guntur District. There are totally 90 children studying Nursery to Seventh Standard.CEA TEAM of CSE has 15 members of III/IV B. Tech students & II/IV B. Tech students. CEA team of CSE was headed by Faculty Incharge(s) Mrs.K. Ruth Ramya. Name of CEA activity is "**Technology Oriented Teaching**". The main objective of this programme is to impart computer related technology to the rural children. As a part of this objective we conducted orientation in 3 areas of computer like MS Office Package, Internet, Hardware. Apart from teaching technical skills, the school children were made to understand the requirement of good communication skills, career and social awareness and also create interest among students games like word building etc., were also conducted to primary students.

SESSION ACTIVITIES:

CEA team started from KL University at 9.00 AM and reached the school at 09.30 A.M. Faculty In charge(s) introduced themselves to the Head Mistress of the School and explained few words about the programme. At 10:00 A.M Inaugural function was started and Later, the school headmistress spoke few inspiring words. Then Mrs. K. R. Ramya explained to the children the importance of technology now-a-days.. Finally, Head Mistress proposed vote of Thanks. The Inaugural function was closed at 11:00 P.M. Games like "Fire in the Mountain" and "Bus Five game" were conducted to test student concentration. In-order to create fun and interest among

students and make them happy "Banana Game" was conducted.Students of KLU taught children how to introduce themselves. At 12:00 P.M students went for lunch break.

KLU team were divided into 4 groups. Each group consists of 5 people. First group of 5 people taught IInd standard children about computer basics like what is a computer?
