“Zrotriya-19”

Department of ECE Technical Fest

Objective:

ZROTRIYA-2019, as a technical fest, embarks on a journey with a myriad of objectives aimed at enriching the landscape of Electronics & Communication Engineering (ECE). Firstly, it endeavors to ignite a spark of innovation by providing a vibrant platform for showcasing pioneering projects and groundbreaking research endeavors within the realm of ECE. Secondly, the fest aspires to foster collaboration and knowledge exchange among participants, comprising students, faculty, researchers, and industry professionals, thereby nurturing an ecosystem conducive to collective growth and learning. Through meticulously curated workshops, technical talks, and immersive hands-on sessions, ZROTRIYA-2019 endeavors to bolster the technical prowess of participants, ensuring they remain abreast of the latest advancements and emerging technologies in ECE. Moreover, the fest serves as a crucial bridge between academia and industry, offering invaluable opportunities for students to engage with industry experts, gain insights into prevailing industry trends and requirements, and explore promising career avenues within the field. Networking forms an integral facet of ZROTRIYA-2019, facilitating the forging of meaningful connections among participants, fostering collaborations, and broadening professional horizons. By celebrating excellence through the acknowledgment of outstanding projects, research contributions, and individual achievements, the fest aims to inspire and propel participants towards the pursuit of excellence in their academic and professional endeavors. Furthermore, ZROTRIYA-2019 endeavors to instill and nurture an entrepreneurial spirit among participants by providing a platform for showcasing innovative solutions with tangible commercial potential. Ultimately, the fest strives to cultivate a culture of excellence, innovation, and collaboration within the ECE community, thereby nurturing the next generation of leaders, innovators, and visionaries in the field.

Zrotriya-2019 Events Description:

Name of the event: Tech Tool

Date: 25-03-2019

Time: 9.30 AM - 12.30 PM

Venue: R302A

Incharge: Mr.P.Srikanth Reddy

The "Tech Tool" event is a dynamic gathering where technology enthusiasts, developers, and industry experts showcase and explore the latest advancements in tech tools and software. Attendees engage in interactive workshops, panel discussions, and live demonstrations to gain insights into cutting-edge technologies and their practical applications. This event serves as a platform for networking, learning, and innovation, fostering collaboration among tech professionals and enthusiasts.

Name of the event: Flash Rom

Date: 25-03-2019

Time: 9.30 AM - 12.30 PM

Venue: R302A

Incharge: Dr S Rooban

The "Flash Rom" event is a vibrant celebration of retro gaming, where enthusiasts and collectors come together to showcase and experience classic video games and consoles. Attendees can participate in gaming tournaments, attend panel discussions with industry veterans, and explore a marketplace filled with vintage gaming merchandise. This event provides a nostalgic journey through gaming history, fostering a community of retro gaming aficionados.

Name of the event: Quick Match

Date: 25-03-2019

Time: 1.30 PM - 2.30 PM

Venue: R302A

Incharge: Dr M.Sujatha

The "Quick Match" event is a high-energy competition where participants engage in rapid, head-to-head challenges across various games or sports. Designed to test speed, strategy, and skill, this event features a series of quick rounds, ensuring continuous action and excitement for both competitors and spectators. It serves as an exhilarating platform for showcasing talent, fostering camaraderie, and delivering fast-paced entertainment.

Name of the event: Crack the word

Date: 25-03-2019

Time: 1.30 PM - 2.30 PM

Venue: R302A

Incharge: Dr N Prabhakaran

The "Crack the Word" event is an engaging word puzzle competition where participants race against the clock to solve challenging word games and riddles. Contestants must utilize their vocabulary, critical thinking, and quick problem-solving skills to decode words and phrases. This event is designed to be intellectually stimulating and fun, promoting a love for language and friendly competition among word enthusiasts.

Name of the event: Paper Presentation

Date: 25-03-2019, 26-03-2019

Time: 11.30 AM - 1.30 PM & 2:30 PM- 4:30 PM, 9:30AM – 1:00PM & 2:30PM – 3:00PM

Venue: R406A

Incharge: Dr D Bhavana

The "Paper Presentation" event is an academic forum where participants present their research papers and findings to an audience of peers, experts, and judges. This event provides an opportunity for researchers, students, and professionals to share their insights, receive constructive feedback, and

engage in scholarly discussions. It aims to foster knowledge exchange, innovation, and collaboration within the academic community.

Name of the event: LabView games and debugging

Date: 25-03-2019

Time: 3:30 PM- 4:30 PM

Venue: R302B

Incharge: Dr M Sujatha

The "LabView Games and Debugging" event is an interactive competition where participants use LabView software to create games and solve debugging challenges. Contestants showcase their programming skills and creativity by developing innovative game designs while identifying and fixing code issues under time constraints. This event promotes technical proficiency, problem-solving abilities, and a deeper understanding of LabView among enthusiasts and professionals.

Name of the event: Face recognition using open CV and Tensor flow

Date: 26-03-2019

Time: 9.30 AM - 12.30 PM

Venue: R404B

Incharge: Dr PVV Kishore

The "Face Recognition using OpenCV and TensorFlow" event is a hands-on workshop where participants learn to implement facial recognition systems using OpenCV for image processing and TensorFlow for machine learning. Attendees gain practical experience through guided coding sessions, exploring techniques for training models, detecting faces, and recognizing individuals in real-time. This event is designed to enhance technical skills and knowledge in computer vision and artificial intelligence.

Name of the event: Web and Mobile App development

Date: 26-03-2019

Time: 9.30 AM - 12.30 PM

Venue: R405A

Incharge: Dr E Kiran Kumar

The "Web and Mobile App Development" event is an immersive workshop where participants learn to design, develop, and deploy web and mobile applications using modern frameworks and tools. Attendees engage in hands-on coding sessions, covering topics like responsive design, backend integration, and user experience optimization. This event aims to equip developers with practical skills and knowledge to create robust, user-friendly applications for both web and mobile platforms.

Name of the event: Mind Talk (Presentation of Ideas)

Date: 26-03-2019

Time: 2.30 PM - 3.30 PM

Venue: R406B

Incharge: Mr K Rajesh Babu

The "Mind Talk (Presentation of Ideas)" event is a dynamic platform where individuals share innovative ideas and concepts through compelling presentations. Participants present their thoughts on diverse topics, aiming to inspire, inform, and engage an audience of peers and experts. This event fosters creativity, public speaking skills, and intellectual exchange, encouraging the spread of visionary ideas and collaborative discussions.

Name of the event: Poster/Project

Date: 26-03-2019

Time: 3.30 PM - 4.30 PM

Venue: Multipurpose hall

Incharge: Dr D Bhavana

The "Project Expo" event is an exhibition where participants showcase their innovative projects and prototypes across various fields of study and industry. Attendees can present their work, demonstrate functionality, and discuss the impact and potential applications of their projects with judges, peers, and industry professionals. This event promotes creativity, practical problem-solving, and networking, providing a platform for recognition and feedback on cutting-edge ideas.

Outcome:

ZROTRIYA-2019, meticulously crafted as a technical fest, yielded resounding success, leaving an enduring impact on its participants and stakeholders. The fest ignited a wave of innovation, inspiring participants to explore novel ideas and solutions within the realm of Electronics & Communication Engineering (ECE). Through collaborative initiatives and interdisciplinary projects, participants harnessed the collective expertise of the ECE community, fostering meaningful engagement and collaboration. Empowered by hands-on workshops and technical talks, participants emerged with enhanced technical skills, poised to tackle complex challenges and contribute meaningfully to the field. ZROTRIYA-2019 served as a vital bridge between academia and industry, providing invaluable exposure to industry trends, career opportunities, and collaborative ventures. By celebrating excellence and nurturing an entrepreneurial spirit, the fest inspired participants to strive for greatness and set new benchmarks in ECE. Beyond its immediate impact, ZROTRIYA-2019 left a legacy of learning and inspiration, propelling participants on a trajectory of continuous growth and professional development in the field of ECE.

The outcomes of “**PAPER PRESENTATION**” encompassed the recognition of winners for their prowess in electrical circuit design, analysis, and troubleshooting, alongside the enhancement of participants' skills and knowledge in the field. Networking opportunities facilitated valuable connections among enthusiasts, students, educators, and professionals, fostering collaboration and knowledge exchange. Feedback collected from stakeholders aimed at refining future editions, ensuring continual improvement. Moreover, the event served as a source of inspiration and motivation, encouraging participants to pursue further exploration and opportunities within the realm of electrical engineering.

The outcomes of “**PROJECT EXPO**” encompassed the recognition of winners for their prowess in electrical circuit design, analysis, and troubleshooting, alongside the enhancement of participants' skills and knowledge in the field. Networking opportunities facilitated valuable connections among enthusiasts, students, educators, and professionals, fostering collaboration and knowledge exchange. Feedback collected from stakeholders aimed at refining future editions, ensuring continual improvement.
