HISTORY OF NCC:

- The NCC in India was formed with the National Cadet Corps Act of 1948.

- It was raised on 15 July 1948 The National Cadet Corps can be considered as a successor of the University Officers Training Corps (UOTC) which was established by the British in 1942.
- During World War II, the UOTC never came up to the expectations set by the British. This led to the idea that some better schemes should be formed, which could train more young men in a better way, even during peace times.
- A committee headed by Pandit H.N. Kunzru recommended a cadet organization to be established in schools and colleges at a national level. The National Cadet Corps Act was accepted by the Governor General and on 15 July 1948 the National Cadet Corps came into existence.
- During the 1965 and 1971 wars with Pakistan, NCC cadets were the second line of defence.
- They organised camps to assist the ordinance factories, supplying arms and ammunition to the front, and also were used as patrol parties to capture the enemy paratroopers.
- The NCC cadets also worked hand in hand with the Civil Defence authorities and actively took part in rescue work and traffic control. After the 1965 and 1971 Indo-Pak wars the NCC syllabus was revised.
