## **SWACHHTA PAKHWADA**

Swachh Bharath Abhiyan a tremendous sanitation program initiated in India which became the world's greatest cleanliness drive. A part of this mission is Swachhta Pakhwada, under which many activities are being carried out all over India. Since sanitation and hygiene serves as an important preventive measure for the community health, primary care and well-being, the response would be tremendous if such activities will be conducted by medical and para-medical fraternity who would deliver such messages to them. It would serve as an investment for healthier and prosperous India.

Writing essays involves critical thinking, a purposeful and reflective analysis used to reach conclusions. Critical thinking challenges students to scrutinize arguments and positions they may have taken granted, getting them to develop their points more thoroughly.

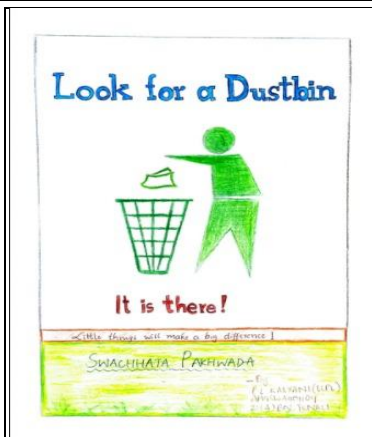

Drawing improves the world and make us to raise up with it and feel more beautiful and more contented .Drawing and coloring is a good activity and acts as a educational program tool. Drawing is means of communication of ideas. Through drawings we are able to bring our idea to life and make it accessible to other people.
