TREE PLANTATION EVENT

EVENT DETAILS: -

EVENT NAME	TREEPLANTATION
DATE	27-10-2022
VENUE	Gundimeda
NO OF STUDENTS PARTICIPATED	62
NO OF FACULTY PARTICIPATED	2
NO OF BENEFICIARIES	PUBLIC

Protect and grow your money growing trees on your land or ours growing trees has never made more sense than it does today; rising inflation, a looming crash of the stock market and the uncontrolled printing of paper money, are all reasons to grow trees. Trees are considered a hard asset, historically out performing inflation, providing a stable long-term investment alternative to the cyclical nature of retail investments such as real estate and the stock market. depending on market conditions, an investment in trees can double or triple in less than a decade.

NCC cadets from 22(A) BN, Tenali actively took part in the tree plantation drive in the near by village with great enthusiasm and spiritual respect towards nature. The cadets planted many saplings in and around the village.

They actively interacted with the villagers about greenery and benefits of having plants around us. The cadets successfully planted nearly more than 30+ plants.

This report highlights the activities undertaken during the event and the valuable lessons learned by the NCC cadets.

Objectives:

- To contribute to environmental conservation by planting trees.
- To raise awareness among the local community about the significance of tree plantation.
- To instill a sense of responsibility and teamwork among the NCC cadets.
- To understand the environmental impact of tree plantation and its benefits.

Pre-Plantation Awareness Campaign:

Prior to the plantation drive, the NCC cadets organized an awareness campaign in the village. They conducted door-to-door visits, community meetings, and school visits to educate the residents about the significance of trees and the environmental challenges associated with deforestation. The campaign aimed to build awareness and garner support for the upcoming tree plantation event.

Village-wide Plantation Drive:

On the day of the event, NCC cadets, villagers, and faculty members gathered at the designated plantation site. The participants actively participated in planting saplings and nurturing them. The cadets provided guidance on proper planting techniques, including digging appropriate holes, ensuring proper spacing, and providing adequate water and care.

Environmental Awareness Sessions:

During the plantation drive, interactive sessions were conducted to raise environmental awareness among the participants. Cadets delivered informative talks on the role of trees in mitigating climate change, reducing air pollution, conserving soil and water, and providing livelihood opportunities. They emphasized the importance of taking collective responsibility for the environment and encouraged sustainable practices.

The tree plantation event conducted by KL University NCC cadets in the village provided valuable insights and lessons for both the cadets and the community. Some key lessons learned from the event include:

The event highlighted the importance of engaging the local community through awareness campaigns, promoting a sense of ownership, and encouraging their participation in tree plantation drives.

Informative sessions and campaigns conducted by the NCC cadets played a significant role in educating the villagers and fostering a sense of environmental stewardship.
