Innovate & Ignite

Date: 21-10-2022

Time: 2:00 PM to 5:00 PM

Venue: E-210, (2nd Floor, E-Block), School of Architecture

OBJECTIVES:

Inspire participants to create innovative and aesthetically captivating decorative and designer lighting solutions. The competition challenge architectural students to push the boundaries of lighting design by integrating creativity, functionality, and sustainability. Focusing on the transformative power of light in architectural spaces, the event seeks to foster a deeper understanding of design principles and to showcase the artistic and technical skills of emerging designers.

DESCRIPTION/ REPORT

As part of the National Level Techno-Management Fest, the Department of Architecture at KLEF, Vaddeswaram, hosted the 'Innovate & Ignite' design competition, focusing on decorative and designer lighting solutions. This event attracted creative minds across the stream, challenging participants to push the boundaries of lighting design through innovation and artistry. Competitors were tasked with developing lighting solutions that not only enhanced the aesthetic appeal of spaces but also incorporated functionality and sustainability. The diverse range of entries showcased exceptional talent and creativity, with designs that illuminated the transformative power of light in architectural contexts. 'Innovate & Ignite' successfully provided a platform for young designers to demonstrate their skills and offered invaluable insights into the future of lighting design

OUTCOMES:

The winning designs stood out for their innovative approaches to lighting, demonstrating a deep understanding of how light can transform and enhance architectural spaces. The competition not only celebrated the artistic and technical prowess of the participants but also provided valuable exposure to emerging trends in lighting design. The positive reception and high quality of submissions underscored the event's significance in promoting creative excellence and sustainable design practices in the field of architecture
