GREEN BRIGADE

Description of the Event:

Green India is not just clean India but also healthy India. Planting at least one tree in increases the lifespan of not just humans but also different existing creatures on earth. To encourage this concept, Team KLEF-CEA has organized an event called “Green Brigade” on 14th August 2021.

In this event, we the volunteers of CEA have visited the Kolanukonda village and donated fruit bearing plants like Pomegranates, Guava etc and asked them to plant those saplings. We also told them importance of planting. The event was conducted successfully. We distributed around 200 plants approximately.

Benefits:

1. People of kolanukonda village got to know about the importance of plantation.
2. By planting, we helped in increasing greenery in that village.
