DISTRIBUTION OF ECO FRIENDLY GANESHA IDOLS

Description of the Event:

On the occasion of Ganesh Chaturthi, KLEF -CEA conducted a competition which is an offline based platform on the theme of making our own Ganesh idols which is an alternative to the conventional not -so-eco-friendly ganesha. We've successfully conducted the event.

Benefits:

1. In the process of participating in these competition people will improve their creative skills.
2. Imbibes the idea of taking initial steps in protecting nature.
3. These clay idols are ECO-FRIENDLY, which is a great replacement of plaster of paris and plastic.
4. Avoiding the use of non biodegradable material such as thermo Cole altogether.

No. of students participated: 175

No. of Faculty participated: 10
