Description of the Event:

It is the 21st Century and we are facing a major crisis. We are using more plastics than ever before, and it is harming our environment and threatening our existence. The world's oceans are in crisis. Plastic pollution is still destroying our planet, and it's inescapable. “Spread the Word Change the World” campaign by SUP with KLEF -CEA will make students aware of the problem and show them what they can do to help. SUP in collaboration with KLEF-CEA conducted an awareness session on the harmful effects of plastic usage and their harmful consequences.

Its goal is to educate the world about the issue of plastic pollution and inspire them to reduce their use of single-use disposable plastics.
