### **SMART CROWN**

#### **Description of the Event:**

SMART CROWN! The competition in which the smarter one is crowned with triumph.

The team KLEF-CEA has come up with a new activity that encourages the hard worker in you to reach destiny with your very own smartness. The competition involves three rounds.

**1. Elaborate-** encourages one's ability to analyze and visualize. In this round, one should analyse and elaborate the given picture with their artistic approach.

**2. Soposo-** stands for social problems and solutions. This round tests the spontaneity and presence of mind. The participant is expected to provide a technical or non-technical solution for the allotted question within the speculated time. And the competition ends with a fun-filled memory game in the form of word building.

**Benefits:** 1. To generate a competitive spirit between students.

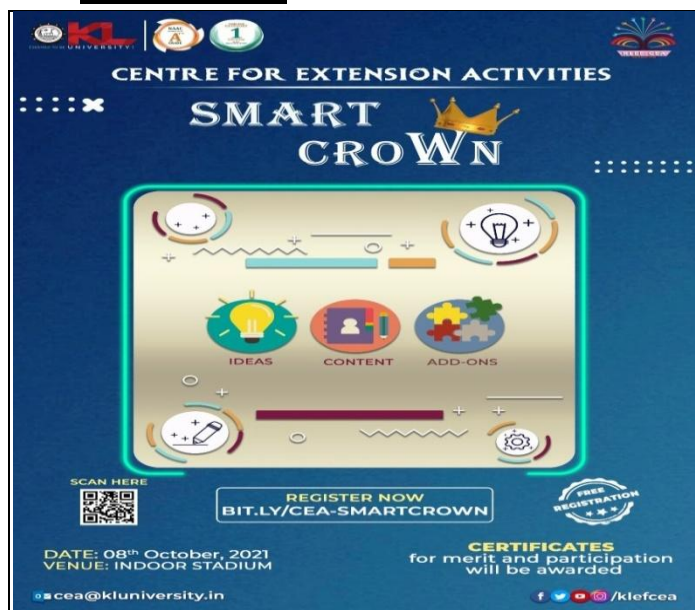

2. To give space to critical thinking

3. To know what problem affects more people in the society
