About Event:

A Campaign was organized by Centre of Extension Activity (CEA) KL University, Greenfields on 19th Oct 2022. KLU organizes an Anti- Fire- crackers campaign to control air and noise pollution.

About the Campaign:

The CEA have played an important role in the Anti – Fire Campaign and the students make students aware about the hazardous effects of bursting crackers on Diwali. Air Pollution affects the overall health of an individual. The pollution increased manifold due to bursting of crackers. The adverse effect of bursting crackers seems unending.

Diwali is a festival of lights not crackers. The CEA members spread the message among school students that they must rejoice together rather than wasting time and money on crackers.

Benefits:-

- ❖ Students were encouraged for proper maintenance and preservation of the environment.
- ❖ This event set an inspiring example for the coming generations to save the environment by the Diwali awareness campaign and not using chemicals in rangoli making.

No. of Volunteers participated: 72

No. of Faculty Participated: 04
