About the event:

The event is the one which is very useful to create awareness among students about plastic reduction. By this event the children are able to learn the ways to reduce, reuse, and recycle plastic items with the help of team CEA. So that they can follow these rules and help future generation's plastic free.

So, the team CEA (Center for Extension Activities) conducted an event called PLASTIC 3R RULE in Peda konduru high school.

Benefits:

- By the event we educated the school student about The Plastic 3R Rules.
- By the event we educated the school students to make a plastic free world.
