Kisan Diwas (National Farmers Day)

Description of the Event:

FARMERS are the soldiers who work in the farmland feeding the whole nation and yet the problems faced by our farmers are unheard. Despite several funds and welfare schemes allotted by the government, many famers and their families are being the prey for poverty. We team KLEF-CEA, conducted an event named "Kisan Diwas" on farmers day (23/12/2021), as a part of which volunteers of our team interacted with the farmers to know about their problems and issues.

Working Procedure:

- This event was held on 23rd December in Revendrapadu village.
- Some of the Agriculture students of our university interacted well with farmers to know about their problems and issues.
- Our volunteers took an active part in asking several questions to the farmers and said certain solutions for their problems up to some extent.

Benefits:

- ❖ Through this interaction, students have learnt a lot regarding the issues faced by the farmers
- ❖ Many volunteers have acquired a chance to learn more about agricultural field.
