### **COMMUNICATION SKILLS**

#### **Description of the Event:**

Communication is the means of efficient transfer of information which can both make and break the bond. Joy, sorrow, pleasure, pain, peace and anger are the emotions which are perfectly carried but are imperfectly conveyed. This is a complication which can only be cured with communication. We team KLEF-CEA, conducted an event named "Communication Skills" on 30/12/2021, as a part of which volunteers of our team interacted with the students of ZPH School, Peddavadlapudi.

#### **Working Procedure:**

- This event was held on 30<sup>th</sup> December in Peddavadlapudi.
- Few students of KLEF-CEA interacted well with students of ZPH School to give them an idea on communication skills.
- Our volunteers took an active part in making students to understand how the miscommunication happens in everyday life.

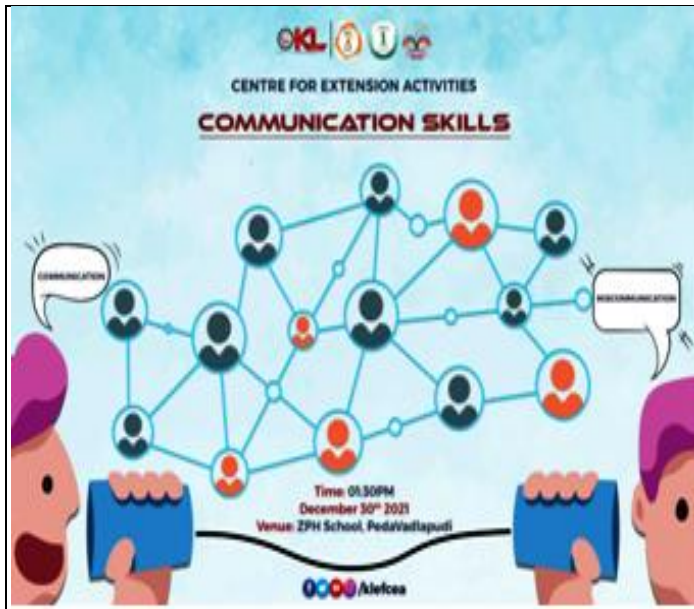

#### **Benefits:**

- 1) Through this interaction, students have learnt how miscommunication happens.
- 2) Students got an opportunity to clear their doubts regarding "how to communicate with elders", and gained useful information.
