About Event:

SMART CROWN! The competition in which, the smarter one is crowned with triumph.

The team KLEF-CEA has come up with a new activity that encourages the hard worker in you to reach destiny with your very own smartness. The competition involves three rounds.

About the Campaign:

1. Elaborate:

Encourages one's ability to analyze and visualize. In this round, one should analyse and elaborate the given picture with their artistic approach.

2. Soposo:

Stands for social problems and solutions. This round tests the spontaneity and presence of mind. The participant is expected to provide a technical or non-technical solution for the allotted question within the speculated time. And the competition ends with a fun-filled memory game in the form of word building.

Benefits: 1. To generate a competitive spirit between students.

2. To give space to critical thinking

3. To know what problem affects more people in the society
