The main motto of conducting handloom events is to support the work of handlooms and to know about the handloom industry process. The handloom process leads to Eco-Friendly nature. Every step of the handloom process is

sustainable, from installation, fabric choice, dyeing, and weaving. The natural fibers used are biodegradable and are not produced with many chemicals and resources.

### **Benefits:**

By the event, we came to know about the hard work and flexibility of small production quantities being amenable to innovations, low investment, labour intensive and adaptable to market requirements of the handloom industry.
