## TECHNICAL TUESDAY

Team MESA (dpt... of mechanical engineering) combined with HOBBY CLUBS has conducted an event as a part of **TECHNICAL TUESDAY** on “JUST A MINUTE” in which the students participated actively. At the time of the event the technical team has gathered at 3:00pm and made the necessary arrangements i.e. refining of topics, selection of room and bringing the necessary arrangements. At 4:10 pm the participants have gathered at the event venue (M004) and has actively participated in the event and made it a huge success. The event has concluded at 5:00 pm and the winner list has been short listed.

The main intention of conducting this event is to improve the technical knowledge of the student and to improve his/her communication skills.
