

1-Page Institutional Profile of KLU

August 2016

Recognized as a **Deemed University** in 2009 by the Government of India's (GoI's) apex higher education regulator University Grants Commission (UGC), KL University is a large, multidisciplinary, and non-governmental technical university in India with the vision to be among **South Asia's top 5** independent universities by 2020.

Based out of Guntur district, in the capital region of the sunrise state of Andhra Pradesh in the economically developed southern India, KLU has two undergraduate and three postgraduate schools, with over 720 faculty, 640 staff, and 65,000 successful alumni in diverse professions around the world. Consistently ranked among India's **top 10** private technical universities, KLU offers 15 bachelor's, 26 master's, 14 dual-degree, and 14 doctoral programs to over 12,000 students and 1200 PhD scholars from across India and 16 countries from Asian, African, and North American continents.

In 2016, KLU College of Engineering (KLU-CE) was ranked **Top 1** in both Andhra Pradesh and Telangana states and **Top 59** in India by National Institutional Ranking Framework (NIRF) 2016, an initiative by the Government of India's Ministry of Human Resources Development (MHRD). [Check](#)

ISO-9000 certified since inception, KLU has been accredited twice in a row at **A** grade (valid up to Jan 2018), by the GoI's National Assessment and Accreditation Council ([NAAC](#)) and recognized as Scientific and Industrial Research Organization (SIRO) by the GoI's Department of Scientific and Industrial Research (DSIR).

In the last three years (2012-15), KLU faculty published over 2600 papers in national and international conferences and journals. Over 80 sponsored projects worth Rs.18-crore from the government and industry are currently being carried out at KLU.
