4-day Training program on NISA software from 14/06/2017 to 17/06/2017 at Aerospace lab by the trainers Sundar Rajan --Sr. Manager –Sales, Binu Thomas – Asst. Manager, Shaji – Technical Head, Dr. CCK – NISA software Architect, Murali – Sr. Product Engineer from STARCOM Information Technology Ltd., Bangalore to train the faculty on various modules in NISA software. It was organised by Centre of Excellence, KL University along with Academic Staff College and coordinated By Mr. Shyam Prasad K, Associate Dean, R & D (COE) and Mr. Ratna Prasad P, Asst.Prof, Dept.ME.

It is analysis software, which we have procured for the development of NISA Excellence centre in our department. NISA is one of the most comprehensive engineering analysis suites available to address the Automotive, Aerospace, Energy & Power, Civil, Electronics and Sporting Goods industries. NISA has been an engineer's favorite for more than 35 years.

NISA features a completely integrated pre/post- processing environment within a state-of-the-art GUI, seamless interoperability with leading commercial CAD software, excellent technical support and flexible purchase options.

The members were lead through the hands on experience with NISA software.

The outcomes of the training program, the participants were able to learn to

- appreciate the engineering nature of software development
- describe key activities in software development and the role of modelling
- explain key concepts in software development such as risk and quality
- explain the basics of an object-oriented approach to software development

List of Faculty Identified for training on NISA during 14/06/2017 to 17/06/2017
