

Academic  
**Staff College**

**A One day national webinar on  
“Machine Learning: Trends and Applications”  
Organised by  
Academic Staff College, KLEF  
on 03-06-2020**

On initiation from IQAC, the Academic Staff College of KLEF organised a one day national webinar on “Machine Learning: Trends and Applications” on 03-06-2020. The webinar was conducted by Dr. P. Radha Krishna, Head, Dept of CSE, NIT, Warangal, India and was attended by 150 faculty members from KLEF and across India.

The following issues were discussed by the resource person.

Introduction to Machine Learning (ML).

Machine Learning Algorithms.

Complex Organisations and Cyber Security.

Artificial Intelligence (AI).

Various applications of AI.

ML vs and vis- a-vis AI

Applications of Regression, Classification and Clustering.

The session was interactive and the resource person clarified all the doubts raised by the participants. Dr. Ch. Hanumantha Rao, Principal of ASC and Dr. B. Siva Nagaiah, Vice-Principal of ASC thanked and appreciated Dr. P. Radha Krishna for conducting the webinar to the satisfaction of all the participants. E-certificates were issued to the participants.
