POETRY RECITAL

Dates: 21st to 26th November 2022

Timings: 3PM to 7PM

Poetry recital is the art of performance. It involves creating poetry that just doesn't sit on paper. It is something about the art speaking out loud. It is not about reciting what you know, but about gathering all the knowledge and experience that you've collected up to now and making everyone witness the true essence of poetry.

The event has taken place for 7 days continuously and there were wonderful participants who were excited to read their masterpieces to everyone present in the venue. Everyone had stories that the rest of them were glad to hear. Every student who has attended the event learnt something, that if you have the ability to express yourself and have the courage to present those stories, you can be provided with a room full of your peers who will listen and connect with what you share. And that is an amazing realization.
