SAMYAK-19, the annual technical fest of KL Deemed to be University, held from 18.10.2019 to 19.10.2019, was a spectacular celebration of innovation, technology, and academic excellence. It marked a significant milestone in our university's tradition of fostering a culture of technical prowess and creativity. The event spanned 2 days, transforming our campus into a buzzing hub of intellectual exchange, technical prowess, and innovation.

In conclusion, SAMYAK-19 was an overwhelming success, surpassing its objectives and expectations. It provided an exceptional platform for students to explore their technical interests, foster innovation, and establish meaningful connections with industry professionals. As we look ahead, KL Deemed to be University remains steadfast in its commitment to improving and expanding this annual event, ensuring that Samyak continues to be a beacon of excellence in the realms of technology and innovation.

Objectives of SAMYAK'2019 :

The foremost goal was to promote and disseminate technical knowledge among students and participants. We aimed to empower attendees with the latest insights and practical skills across diverse technical domains, thereby preparing them to excel in their academic and professional pursuits. Samyak-19 aimed to inspire and nurture innovation. We sought to create an environment where students could break barriers, explore new frontiers, and develop innovative solutions to real-world challenges. Beyond academics, the fest aimed to bridge the gap between students and industry professionals. We aimed to provide a platform for students to interact, collaborate, and build networks with experts, thereby facilitating career growth and personal development.

Outcomes:

SAMYAK-19 attracted a diverse group of participants from various institutions. Through a wide array of workshops, seminars, and hands-on sessions, students gained valuable insights into cutting-edge technologies and acquired practical skills, broadening their horizons. The fest witnessed an impressive showcase of innovative projects and research. These projects spanned various disciplines, from robotics and artificial intelligence to renewable energy solutions, showcasing the fest's success in nurturing innovative thinking and problem-solving skills. Samyak-19 served as a bridge between academia and

industry. The fest featured keynote speakers and panel discussions with prominent industry leaders, providing students with invaluable opportunities for networking and mentorship. The fest's workshops, technical competitions, and hackathons equipped participants with a diverse set of practical skills, enhancing their competence and competitiveness in today's job market. Samyak-19 garnered significant media coverage, both regionally and nationally, elevating KL Deemed to be University's reputation as a center for technical excellence and innovation.

In conclusion, SAMYAK-19 was an overwhelming success, surpassing its objectives and expectations. It provided an exceptional platform for students to explore their technical interests, foster innovation, and establish meaningful connections with industry professionals. As we look ahead, KL Deemed to be University remains steadfast in its commitment to improving and expanding this annual event, ensuring
