Workshop and Hackathon titled “**Spark Carnival**” by team Mayavi

Date : 18<sup>th</sup> October 2022

**Objectives :** The objectives of the Spark Carnival workshop and hackathon, hosted by Team Mayavi on October 18th, 2022, are multifaceted. Firstly, the event aims to provide participants with hands-on learning experiences in cutting-edge technologies such as machine learning, artificial intelligence, and data science. Through interactive sessions led by industry experts, attendees will gain practical skills and knowledge to navigate these rapidly evolving fields.

Secondly, Spark Carnival seeks to foster collaboration and teamwork among participants. The hackathon format encourages teams to work together intensively, leveraging each other's strengths to develop innovative solutions to real-world challenges. By promoting collaboration, the event aims to create a supportive environment where participants can learn from each other and push the boundaries of their creativity.

**Description:** Workshop and Hackathon is conducted as a part of SAMYAK '22 a techno-management fest, is conducting **SPARK CARNIVAL - a central level event in collaboration with Reskill and Meta (AR)** by Team MAYAVI on 18.10.2022 at KLEF, R & D Theatre. **Winner will be awarded with ‘OnePlus Buds Pro’**, and also 1st Runner-up will be provided with Amazon Echo Show and 2nd Runner-up with Amazon Alexa - 4th Generation, while all the participants will be awarded with certificates and goodies from Meta.

**Outcome :** The outcome of the Spark Carnival workshop and hackathon, organized by Team Mayavi on October 18th, 2022, is expected to be transformative on multiple fronts. Firstly, participants will depart with an enriched technical proficiency, having delved into cutting-edge technologies such as machine learning, artificial intelligence, and data science through immersive hands-on experiences. This hands-on learning approach will equip them with practical skills applicable to real-world scenarios, enhancing their professional capabilities.

also underscore the participants' ability to think critically and devise practical remedies to complex problems.

Moreover, Spark Carnival will serve as a catalyst for community building within the technology landscape. Networking opportunities embedded throughout the event will facilitate connections among participants, fostering a vibrant

community of like-minded individuals. These interactions will extend beyond the confines of the event, nurturing ongoing collaboration and knowledge sharing among peers.

In essence, the outcome of Spark Carnival will be a cohort of empowered individuals armed with enhanced technical skills, innovative solutions, and a strong sense of community. This collective of inspired minds is poised to drive meaningful advancements in technology and beyond, shaping a brighter future through their ingenuity and collaborative spirit.
