Subject: Organizing Vaccine Awareness Campaign

Date and time: 20/06/2021; Time: 9.00 AM to 5:00PM

Platform: Google Forms

This is to inform that MICROBIOLOGISTS SOCIETY, INDIA STUDENT CHAPTER is organizing an COVID VACCINE AWARENESS CAMPAIGN

Stay Safe, Stay Healthy

Warm Greetings from *Department of Biotechnology, KL University* is launching a campaign to appeal to all to go for Covid-19 Vaccine with full confidence and willingness and remain healthy!!!

Coविजय: Vaccination for the safe nation

This campaign enhances your awareness regarding vaccine effectiveness and safety. Although many people are eager to get vaccinated, there are also significant proportions of the population who are hesitant, reluctant, or mistrustful of the vaccines and the vaccination process. Authentic communication about the vaccines can help overcome apprehension and promote acceptance. To be a part of this campaign please fill this Google form link: <https://bit.ly/3gpESk8>

We have attached poster related to myths and facts about Covid-19 Vaccine. Certificate of appreciation will be awarded to everyone. We will be happy if we are able to clarify your doubts. Kindly forward this campaign to your other groups so that everyone can confidently take the vaccines and be safe!

All students, faculty members, and interested persons are invited to attend the same.

Join the Fight: Get Vaccinated Today

20/06/2021

Platform: Google form/C521

The following report outlines the details and outcomes of a comprehensive vaccine campaign conducted at Department of Biotechnology, KL University aimed at promoting immunization among students, faculty, and staff. The campaign was initiated in response to the ongoing global COVID-19 pandemic and aimed to facilitate widespread vaccination, promote health awareness, and contribute to a safer campus environment. The campaign is conducted from 17th June, 2021 to 20th June, 2024. The campaign does not disclose any personal information and health risks associated with any gender discrimination. The campaign is conducted to create awareness and importance of getting primary and booster dose of COVID vaccines.

Sample certificate issued to all participants of the campaign

Objectives of the campaign:

1. Encourage vaccine uptake among the university community to mitigate the spread of COVID-19.
2. Provide convenient access to vaccination for students, faculty, and staff.
3. Educate individuals about the importance of vaccination, dispelling myths and misinformation.
4. Foster a sense of community responsibility towards public health and safety.

Survey indicates majority of the participants agree to get vaccinated

This report serves to document the achievements, challenges, and lessons learned from the vaccine campaign, providing a foundation for future endeavours aimed at promoting public health and safety within the university community and beyond. The vaccine campaign has been a resounding success, contributing to increased vaccination uptake, improved community health, and enhanced resilience against the COVID-19 pandemic. By prioritizing accessibility, education, and community engagement, the campaign has demonstrated the pivotal role universities can play in promoting public health and fostering a culture of responsibility and solidarity.
