CENTRE FOR EXTENSION ACTIVITIES (CEA)

A report on “Innovative Ideas for Better Society” on 10/10/2018 at Mangalagiri

Centre for Extension activities team of Department of Mechanical Engineering have conducted an event on “**Innovative Idea’s for better Society**” for 10th Class Students of Govt. High School, Mangalagiri. The Event is organized by Department of Mechanical Engineering students:

Innovation can be defined simply as a "new idea, device or method". However, innovation is often also viewed as the application of better solutions that meet new requirements, unarticulated needs, or existing market needs. Such innovation takes place through the provision of more-effective Products. Processes, Services, Technologies or business models that are made available to makers, governments and society.

Mr. Anil and Mr. Rakesh addressed the students group about the importance of Innovation for better society. The aim of the program is to collect the Innovative Ideas from the students group and help them to build prototypes by giving financial and technological support from the University. Students have shared different Ideas which with Mr. Anil and Mr. Rakesh.

Some of the Ideas Shared by students:

1. Sensor to correct body posture/regulate viewing distance.
2. Automatic spike system near traffic signals.
3. Device to indicate sudden fall.
4. Device to cool down anger.
5. Mobile phone with inbuilt charger.
6. Modified hand cart with steering and brakes.
