### **A report on “Career Guidance” on 31/10/2018 at Mangalagiri**

#### **Objective**

The Centre for Extension activities team of the Department of Mechanical Engineering has conducted an event on the “Career Guidance Programme” for 10<sup>th</sup> class English Medium students of Govt. High School, Mangalagiri. The Event is organized by the Department of Mechanical Engineering students. The Career Guidance Event was an invaluable initiative that provided students and job seekers with essential information, insights, and support to make well-informed decisions about their career paths. The event aimed to bridge the gap between education and employment, empowering attendees to navigate the ever-changing job market and align their passions and skills with fulfilling career opportunities.

#### **Details of the Event**

<b>Name of the Event</b>	:	Career Guidance
<b>Date of the Event</b>	:	31/10/2018
<b>Venue</b>	:	Govt High School, Mangalagiri
<b>Number of Students Participated :</b>		85
<b>No. of Beneficiaries</b>	:	450

#### **Description**

The Resource person addressed the students to fix a goal for their life in order to plan and succeed in life. He explained the goal and their importance in life. He said that to achieve the goal one must have three levels of plans 1. Short-term plans are the works that must be done immediately related to the fixed goal. 2. Medium Term Plans which are the works to be done in a medium time span period of time to the fixed goal time. 3. Long-term Plans which are the works to be done in the long time span. He has given guidance for success in studies as proper planning of the available time period. He addressed the students on what are the different courses one can study after the 10th class passes, time

management tips, self-control, career planning, and different options available after the tenth class in studies and job opportunities.

The event featured a diverse range of activities and resources to assist participants in exploring various career options and understanding the skills and qualifications required in different industries. Professional career counselors, industry experts, and successful professionals were invited to share their experiences and provide guidance on career planning and development. Throughout the event, attendees had the opportunity to participate in interactive workshops, attend career panels, and engage in one-on-one mentoring sessions. These interactions allowed participants to ask questions, seek personalized advice, and gain practical insights into the job application process and career progression.

The event also emphasized the importance of personal development, including building soft skills, resume writing, interview preparation, and effective communication. Participants were encouraged to develop a strong personal brand and leverage their strengths to stand out in the competitive job market.

### **Conclusion:**

A total of 200 students have attended the program clarified many of their doubts about higher studies and different job fields in the Private and public sectors. Students and the Head Master expressed thanks for conducting such an event.

In conclusion, the Career Guidance Event was a resounding success in empowering students and job seekers with the knowledge, resources, and support needed to make informed career choices. It provided a platform for individuals to explore their potential, connect with industry professionals, and take proactive steps towards building successful and rewarding careers. By continuing to organize such events and investing in career guidance initiatives, we can foster a generation of skilled and motivated individuals who contribute significantly to the workforce and positively impact society.
