A report on “Survey on Climatic Conditions” on 20.09.2019 at Peddapalem Village

We the team visited Peddapalem conducted survey on climatic conditions where the villagers facing problems in their day to day life during their crop harvesting. The survey went well with nearly 80 Farmers gave their responses that they are facing in their fields. We the members of CSE-CEA had interaction with Secretary and villagers in the panchayat office of Peddapalem Village about their problems related to agriculture. Major problems they discussed is that Rats that spoiling seeds. No proper communication between farmer and buyers. High cost of Pesticides which they are unable to buy for their crops.
