A report on “Sunder Bharat” on 30.01.2020 at Pedavadlapudi Village

A Team of 85 Students and 2 Faculty members of KLEF had collected a small Programme to bring awareness among grade-6 and grade-7 students of Z.P. High School of Pedavadlapudi. We had reached the village around 10:30am.

Summary of the Event:

On reaching the village we meet the School H.M and took the permission to conduct a small programme in which we use a power-point presentation in order to take the students listen with interest and easily understand about what we event are telling. Our motto is to make them understand about the things going on around us, and the effects they cause. We concentrated mainly on POLLUTION. Its types, making them understand the causes of the air, water and sound pollutions. Also we explained them about some plans that our honorable PM Mr.Modi implemented, they are: FIT INDIA, SWACHH BHARAT, SWASTH BHARAT. We motivated them to keep their surrounding as clean as possible and also we told them to spread the message what we conveyed them, so that change will start from their families itself.
