Objective

A campaign was organized by Centre of Extension Activity (CEA) club of KL University, Vijayawada to create awareness among students regarding nutritional values of food.

Description

To lead a healthy lifestyle, it is important to have sufficient knowledge on nutrition its importance in our daily lives. It is also essential to have this awareness at a younger age so that healthy eating becomes a habit and eventually a lifestyle. To have a clear understanding of what the food we eat contains or the nutrients present in them, it is essential to give nutritional awareness in foods in relation to their performance in the maintaining the body with stamina, help in growth and repair of worn out tissues and also to improve the body's immunity.

The event is the one which is very useful for students & their families to improve their Health & Immunity. By this event the children are will to build a good diet plan of menu with sufficient Nutrients with the help of team CEA. So that, they can solve their problem which are facing in the NUTRITION.

Outcome

- By the event we educated the school student about NUTRITION AWARENESS.
- By the event we educated how to create a good health and immunity.
- By this event we educated how to solve their problem in NUTRITION.
