## **Objective**

The objective of the "RICE BOWL CHALLENGE" organized by the Department of agriculture science engineering at KL Deemed to be University was to donate the rice bags to the orphanage and raise importance of rice and food among the villagers of Mangalagiri.

## **Description**

The program was organized on 08-11-2022 & 09-11-2022 in Mangalagiri & Vijayawada, Andhra Pradesh, under the KLEF-CEA of the university. Necessary arrangements were made by seeking required permissions.

To lead a healthy lifestyle it is important to have sufficient nutrition. It's important in our daily lives. It is also essential to have food at a younger age. But some people doesn't have enough food or at least no food to eat like some people in orphanages, old age homes, children's homes.

The awareness program emphasized the one which is very useful for the people who are in hunger. By this event the students will donate the rice and learn the importance of food which they throw as waste. They can understand the value of food with the help of team CEA. So that, the children in orphanages will understand they will donate in their future to people who are in need of food.

Faculty, students, and staff from KL Deemed University actively participated in the program, sharing knowledge and information about the food and hunger and the positive impact of participating in such service programs.

## **Outcome**

The "RICE BOWL CHALLENGE" had several positive outcomes. Firstly, some people in orphanages, old age homes, children's homes were benefited. The program contributed to raising awareness among the students get aware of donation of food for needy people.

The participation of faculty, students, and staff from KL Deemed University in such service programs not only benefited the villagers but also provided a sense of self-satisfaction to the participants. It also helped them gain valuable experience in interacting with people, which could be beneficial for their future job interviews.

Overall, the program successfully achieved its objective of donating rice to needy people and bringing awareness among the people.
