A report on “Vedic Mathematics” on 25/01/2023 at Chirravuru Village

CENTRE FOR EXTENSION ACTIVITIES

Vedic

MATHEMATICS

DATE : 25-01-2023

VENUE : Chirravuru Village

Objective

Mathematics! It is a subject that most children are scared of. Students are usually perplexed in solving those mathematical variables, equations, formulae, etc. They don't show interest in learning those math concepts which are going over their head, but not until if we can provide the joy of learning. KLEF-CEA has come up with an event on "Vedic Math's" which will teach the fun and easy math tricks to the students of V, VI and VII standards. The event was organized at Z.P High School, Chirravuru. The students of V, VI and VII standards of Z.P High School, Chirravuru were taught about Vedic Math's.

Description

We have asked them to solve some problems. Children were more interested in solving. But solving them took some time. To overcome that we taught some tricks to solve them faster within no time. Totally 6 Topics were taught by our team .And also, in the end, we have divided the children into groups and a test was also conducted to them. Everyone did their best to answer, some of them at least tried. It was an interactive session where the students have participated with great enthusiasm. The responses from children are good. We have selected the best of 12 students and prizes were given to them.

Outcome

1. Leads to improvement in mental ability, sharpness, creativity and intelligence.
2. Problems are reduced to one-line answers.
3. Reduces dependence on calculators.
4. Vedic Math is complementary to regular Math taught in schools.
5. Students learning Vedic Math excel at school.

Details of the Event

Name of the Event	:	Vedic Mathematics
Date of the Event	:	25/01/2023
Time	:	01:50 pm to 4:00pm
Venue	:	Z.P. High School, Chirravuru Village
No. of Participants	:	Students: 94, Faculty & Staff: 02
No. of Beneficiaries	:	300
