## **Objective**

Team KLEF-CEA conducted an event called "Voice 4 girls" at Z.P. High School, Pedda Konduru village. The objective of the program was to empower girls through critical knowledge about health, safety, self-awareness, future planning, and build their communication skills, including negotiation and self-advocacy.

Our team arrived at Z.P. High School, Pedda Konduru at 1:45 PM. Upon arrival, we divided into teams and began the session by sharing information on various topics such as health, safety, self-awareness, future planning, and communication skills.

The session was highly successful, and the girls responded enthusiastically to the discussions. They actively participated in the interaction session and showed great interest in learning.

## **Description**

Throughout the event, the students asked thought-provoking questions, which displayed their eagerness to gain knowledge and improve themselves. We encouraged their curiosity by providing detailed answers and fostering a positive learning environment.

By the end of the session, the girls seemed more confident and empowered, equipped with valuable information that will help them in various aspects of their lives. They demonstrated an enhanced understanding of health, safety, self-awareness, future planning, and effective communication skills.

We are delighted to have made a positive impact on the girls' lives and are grateful for the opportunity to contribute to their personal growth and development. The event served as a platform for girls to voice their opinions and concerns, promoting their self-expression and self-advocacy skills.

## **Proceedings of the Event:**

As a team, we are proud of the outcome and believe that the knowledge and skills imparted during the event will have a lasting impact on the participants. We hope

that the girls continue to utilize this newfound knowledge to empower themselves and shape their futures.

The success of the event would not have been possible without the support and cooperation of the school authorities, teachers, and the enthusiastic participation of the students. We extend our gratitude to everyone involved in making this event a memorable and impactful experience.
