### **A Report on Distribution of Clay Ganesh Idols**

#### **Conducted on 09-09-2021 at Prathuru**

KL Deemed to be University (KoneruLakshmaiah Education Foundation), **Electronics and Communication Engineering (ECE) National Service Scheme (NSS)** has conducted **“Distribution of Clay Ganesh Idols”** on **09-09-2021** at **Prathuru Village**.

Team KLEF NSS **Unit- 02** had participated in the Distribution of Clay Ganesh Idols program on 09-09-2021. All the necessary arrangements were done a day before. Mr.P.Srikanth Reddy Programme Coordinator, KLEF NSS Cell, Mr.P.Suresh, Coordinator, CEA along with NSS Student Advisory team has arranged all the necessary arrangements that are needed for successful implementation of event.

We're slowly getting back to our roots. Farmers are employing organic farming techniques and people are turning more health cautious and taking time for a digital detoxification. If we're employing these organic methodologies in physical, mental aspects then why not in a spiritual aspect? In regard to this, KLEF-NSS has distributed Eco-friendly Ganesh idols in the Prathuru. These idols are free of chemicals, plaster of Paris, and plastic. We're elated to share that "over 200 idols are distributed to students and faculty".

These clay idols are Eco-Friendly which is a great replacement for plaster of Paris and plastic. Imbibed the idea of taking initial steps in protecting nature through clay idols. Students learned about the organization of NSS. Clay idols which are made of mud get easily dissolved in water when immersed in water without harming the water bodies. Students learned how to make clay Ganesh idols.
