A Report on World Ozone Day Conducted on 16-09-2020

KL Deemed to be University (Koneru Lakshmaiah Education Foundation) Computer Science Engineering (CSE) Unit- 07 National Service Scheme (NSS) Team has organized a “**Drawing Competition**” on the eve of “**World Ozone Day**” i.e. 16th September, 2020. Every year September 16th is we celebrate World Ozone Day. The main aim is to remind the world about the depletion of the ozone layer and its dangers.

The ozone layer of the Earth protects us from the harmful ultraviolet rays of the sun. Unfortunately, our race for maintaining a high quality of life has led to its depletion. On 1st January 1989 the Montreal Protocol came into force to stop the depletion and reduce the usage of substances that cause holes in our protective blanket. Sustaining the Ozone layer is hence the collective responsibility of all the nations.
