A Report on “Disha App Awareness” Conducted on 23-05-2022 at KLEF

KL Deemed to be University (Koneru Lakshmaiah Education Foundation) Electronics and Communication Engineering (ECE), National Service Scheme (NSS) has conducted “**Disha App Awareness**” on **23-05-2022**.

Disha app awareness is to protect girls and women from assault by alerting the police. As the app is designed to protect women from any danger while they travel alone or feel unsafe in any situation. Disha app installed into the phones of women and students.

An alert will be sent to the Police control room if a woman in danger uses the app allowing the user to send the message. However, if the woman is not able to press the button, then the woman can also send an alert to the police by shaking the smart phone 5 times. This mobile application has a single-touch SOS button that would help the women to alert the police control room and ensure a speedy response.

With the aim of Disha app awareness we had decided to spread awareness to near Vijayawada local areas. In this regard, we have made all the required arrangements & permissions that are necessary for implementation of this event. Mr. P.Srikanth Reddy Programme Coordinator KLEF NSS has appreciated and motivated the students to participate in this event. We divided into groups among ourselves. We went to different areas near by Vijayawada and we started to explain about this app and the features of the app, and we helped the people to download the app.

We conduct events to achieve the following objectives:

- To make awareness of the Disha app.
- To make women's life easier.
- To help the women from the present society.

Dr.Ch.Hanumanth Rao(Dean Student Affairs) presided over the event and has appreciated the innovative idea of the NSS Volunteers. Dr.K.R.S. Prasad (Advisor Student Affairs) supported and stated that this type of events will increase the photography skills in students. Dr.Habhibulla Khan (Advisor Student Affairs) encouraged and stated that this type of events will help in overall development of the students in successful implementation of this event. This program was led by Mr.P.Srikanth Reddy (Programee coordinator), Mr.P.Suresh(Coordinator, CEA).
