All the participants are given the awareness on how to keep the village clean and green. At first we went to panchayat office and had discussion with the panchayat members regarding major problems they were facing.

Our team talked with them effectively. From there we started our rally and went across the streets of village by chanting the slogans regarding the event. Then we gathered at the main center of village where the village members also participated with us. we have made slogans to encourage the villagers so that they will follow what we had said to them. After that in the village we had planted 50 plants.

Some of the villagers interacted with the volunteers during the survey and shared their feelings and problems with them. Our volunteers listened to their problems and made them feel comfortable so as to make them happy by giving a hope that they will pass all the problems in the village to the Panchayat & Govt. to take necessary actions in order to solve the problems in the village.
