NSS SPECIAL CAMP UNIT- 07

NSS Unit – 7 volunteers of Department of Computer Science and Engineering(CSE) of Koneru Lakshmaiah Educational Foundation(K L E F) has Conducted “Special Camp” for four days from 22nd to 28th February, 2019 in one of the village adopted by the K L E F i.e. Chirravuru. This special camp was organized with the help of panchayat raj department of Chirravuru. As a part of this camp everyday volunteers attended with an intention to do what they can do for the welfare of villagers.

22nd February 2019

From afternoon few volunteers went across the streets of village and distributed pamphlets which depict all the work that we are doing during the camp. They even made announcements in the churches, zilla Parishad School and main centers so that many people will know about the camp and make use of it.

Informing about the camp to the villagers on 22-03-2019

Those who are going to stay in village during the camp days went a day in advance to the destination. Four members went after sunset.

22nd February 2019

In the early morning, who are staying distributed the pamphlets and invited villagers to participate in the camp and get benefitted. They given bunch of pamphlets to the paper boy and he inserted them in between the newspaper and circulated. They made all the arrangements needed to do the programs without any problem.

The forenoon session of the day began with a procession by volunteers and higher authorities of our college in the campus.

INAUGURATION

This was followed by an inauguration program held at panchayat office of village. The programme was started with lightening the lamp and NSS song. The chief guest Habibulla Khan (Student affairs Dean of K L E F), Ravindranath nath (Extension activities dean of K L E F), P. Yellamma (Program Officer of Unit – 7), G. Sundar Rao (VRO), M.L.V. Prasad (Secretary), Anganwadi members, V. SubbaRao (Social Worker in the village) and other dignitaries were welcomed by NSS volunteers.

The inaugural speech was delivered by Dr.Habibulla khan, Dr.K.Ravindranath and Mrs.P.Yellamma, emphasized the role of National Service Scheme (NSS) in the community service. All others who attended have also expressed their opinions about the NSS camp. Several village people attended the function. Village authorities welcomed the team of volunteers into their village and assured them all sorts of co-operation needed in making the special camp a huge success.

SWACHH BHARATH

Afternoon of the first day About 50 volunteers divided into sub groups and went in to the streets, lanes and by lanes of the village. Few groups organized a cleanliness drive Swatch Bharath by selecting a street nearby the panchayat office. Volunteers cleaned the village roads, removed dust heaps and they attempted to create awareness on cleanliness and hygiene volunteers participated actively and encouraged villagers to keep their streets neatly so that there will be less mosquitoes and good surroundings as a result the villagers are not affected with infectious diseases. This programme aimed to aware the people on cleanliness, Health, Hygiene in the village. NSS volunteers appreciated the people who use pits and maintain cleanliness in their homes and streets.

DUSTBINS DISTRIBUTION

Our program officer along with the village secretary and volunteers went across the village and distributed dustbins. If wet and dry dust is dumped in the same bin it results in bad smell and generates bacteria which leads to many diseases. So we distributed two dustbins for each house. Red for dry dust and yellow for wet dust.

BLOOD GROUPING PROGRAM:

The blood group identification program we invited two Bio Technology (BT) students to do the job. The grouping is very important when it comes to having a blood transfusion. If blood is given to a patient that has a blood type that is incompatible with the blood type of the blood that the patient receives, it can cause intravenous clumping in the patient's blood which can be fatal.

The patient's body can start producing antibodies that attack the antigens on the blood cells in the blood that was given to the patient. Many villagers came to know their blood group and we had given an identity card so that they will never forget.

PAINTING BLACK BOARDS:

Many of the Black Boards of the Zilla Parishad High School (ZPH) are not in good condition, so we painted boards so that they can understand the written contents by their teachers well. Our volunteers painted the notice board of school.

AWARENESS ABOUT GOVERNMENT SCHEMES

No doubt that there are wonderful policies/schemes of the Government of India; all built for progress of the poor. Most unfortunately these do not reach the poor but are siphoned away by miscreants who are middlemen and corrupt officials. It is a pity that these classes of people of our country are not served well at all despite the resolve of the Government towards these people.

So our volunteers educated, motivated and encouraged villagers to register for the schemes and get benefitted. The main reason of this is all the government schemes should reach to needy and poor families. A group of volunteers went every home in the selected street and discussed with them and suggested some schemes which make their life more beautiful. The schemes we informed are Pradhan Mantri Kisan Samman Nidhi Yojana, Ayushman Bharat, Pradhan mantri shram mandhan yojna (for unorganised workers), Pradhan mantri mudra yojana etc...

CAREER GUIDANCE FOR 10th CLASS STUDENTS

We conducted a career guidance program for students, as a matter of fact, career guidance is a very important aspect of your life. In fact, it can make or break your career. And career guidance is very essential for success. If you want to see your career moving in a right direction then career guidance is of utmost importance.

Everyone wants to be successful but they do not get the right guidance to make right decision at right time. If you have a pre-planned guidance for your career then it

can make a lot of difference. Today, awareness about career guidance is still very low among younger generation. The culture of going to a counselor is so important in our country. So we decided to give right guidance to the upcoming citizens

KLU Faculty Teaching Career guidance for 10th class students on 26-03-2019

As our adopted village contains only a ZPH school we chose 10th class students as their entire future lies in front of them. To choose right path we need right guidance also. The best part of career guidance is that it is very objective as well as strategic. You could get a clear picture what your goal should be or must be. So, we have done a lot of groundwork to convey our content to them effectively. We wished all the students to do well in their SSC examinations and score good grade points.

INTERACTIVE SESSION WITH STUDENTS: We asked children about their point of interest and described them in which path to go so that they can achieve their dreams. We have made a good interactive session with all students.

Students asking questions and our volunteers clarifying the doubts on 26-03-2019

CONDUCTING GAMES:

In the following session our unit volunteers conducted games for students of Zilla Parishad High school like lemon and spoon, drawing, frog jump for kids, skipping, running race competitions and given prizes for the winners.

27th February 2019

We have continued the blood group identification program. We have changed the place to the library centre of the village. Where there are more people to utilize the

opportunity. And also the awareness program about government schemes also continued door to door.

DIGITAL FINANCIAL LITERACY:

Digital literacy is the knowledge, skills, and behaviors used in a broad range of digital devices such as smart phones, tablets, laptops and desktop PCs, all of which are seen as a network rather than computing devices. Our volunteers educated the localities about Digital Financial literacy.

Aspects:

Aadhar enabled payment system

BHIM (Bharat Interface for Money)

Debit and credit card transactions

Mobile payments - Paytm, UPI (Unified Payment Interface)

GIS MAPPING OF VILLAGE

We planned an event of GIS mapping. A geographic information system (GIS) is a system designed to capture, store, manipulate, analyze, manage, and present all types of geographical data. The key word to this technology is **Geography** – this means that some portion of the data is spatial. In other words, data that is in some way referenced to locations on the earth.

We have mapped the main centers and places like temples, ponds, schools, anganwadi centers, water plants, ration depots, milk booths, churches and shops of the village. All the locations were uploaded in street maps. For this our students used MAPS.ME app. Due to this program the information of the important places of that village became available. so those who visit the place for the first time can easily identify the addresses in the village. This information is also helpful for surveys etc...

SAVE WATER AWARENESS PROGRAM

Water being a scarce resource and a primary one should not get wasted. Lot of people has shortage of water supply. As a part of this our volunteers have taken an initiative to create awareness in chirravuru village by conducting a Rally and motivated households. Slogans like “Save Water, Save Lives” were given by the volunteers.

AT NIGHT

We have planned a walkathon on the last day early morning. So the members who are staying went door to door and welcomed villagers to participate in the program and make it success.

We mentioned all the benefits of morning walk like lowers the risk of diabetes, strengthens the heart, aids weight loss, prevents arthritis and osteoporosis, prevent heart strokes, controls cholesterol, gives protection against atherosclerosis, relieves depression, enhances brain function, boosts the immune system, reduces fatigue, improves lung capacity, keeps stress away, makes skin glow, energizes the body and many more.

COMPUTER USAGE AND IMPORTANCE

In the afternoon session a few volunteers went to school and given presentation regarding computer usage and its importance. Computers are used in so many fields in our daily life. From Engineers to Doctors, Students, Teachers, Government Organization they all use computers to perform specific tasks, for entertainment or just to finish office work. Computers have made our life easier. With greater precision and accuracy and less time taking computers can do a lot in short time while that task can take allot of time while doing manually. Computers have taken industries and businesses to a whole new level. They are used at Home for work and entertainment purposes, at Office, In hospitals, in government organizations. We discussed many uses of computers in various fields.

At 01:00 clock our college faculty visited the village, interacted with villagers and volunteers and asked what their experience was.
