OFFICIAL ADMISSION APPROVAL

Dear Jean De Dieu Nibigira,

I am pleased to be writing as the Dean of the Faculty of Graduate Studies and Research to advise that you have been admitted to the Master of Science (Thes) in Physics - Full Time at the University of Alberta for Fall Term, beginning September 1, 2021. You will be joining a diverse and vibrant community of more than 7800 graduate students who are actively engaged in scholarship spanning nearly 500 different programs and specializations.

Our graduate programs are highly competitive so I extend my congratulations to you on your admission as it is a reflection of your positive academic achievements to date. In accepting this offer, you will become part of an institution that is focused on academic excellence, research innovation, and delivery of an outstanding graduate student experience.

Your final admission to the program is contingent on meeting the deadlines and any noted conditions on the following page(s) of this letter. Please read these details and other remarks carefully. Additional information that will be useful to you as you prepare for your graduate studies at the University of Alberta is also included.

This offer is valid until the 'Expiry Date' indicated on the GSMS portal. **To accept this offer, return to the [GSMS Portal](#) and indicate your response.** If you are unable to respond prior to this date you may notify the department. The University of Alberta considers acceptance of this offer as also your agreement to meet all conditions by the stated deadlines. Please contact your Department should you be unable to fulfill these requirements.

We look forward to welcoming you in the Fall Term, beginning September 1, 2021 at the University of Alberta. I wish you every success in your future graduate studies.

Please note: The University of Alberta honours this admission letter even during the COVID-19 period and you can begin your program as stated on this admission letter.

This program normally requires in-person attendance. Due to COVID-19, the university may operate in a blended model of remote and in-person delivery. The university will continue to provide in-person learning opportunities that align with public health requirements. Updates related to COVID-19 and plans for program delivery can be found [here](#). You will be able to begin your program as stated on this admission letter regardless of the method of delivery.

Kind regards,

Brooke Milne, PhD
Vice-Provost and Dean

C: Physics

Student Name: Jean De Dieu Nibigira
Student ID #: 1695504
Student DOB: April 20, 1990
Program: Master of Science (Thes) in Physics - Full Time
Term: Fall Term, beginning September 1, 2021
Program Length: Doctoral = 4 to 6 years, Masters Thesis-Based = 3 to 4 years, Masters Course-Based = 1 to 4 years, Certificates = 1 to 2 years, Visiting or Special = 4 months to 1 year, Qualifying = 1 year
Date of Expiration of Letter of Acceptance: September 15, 2021

Tuition

For details on your program tuition and fees, see Tuition Guarantee at the end of this letter.

Conditions of Admission

All condition(s) listed below must be satisfied by the deadline(s). By registering in your program, you agree to accept the stated condition(s) of your admission. If you fail to satisfy the stated condition(s) by the specified due date, you will not be allowed further registration and you may not be allowed to continue in your program.

Transcript(s) and Degree Certificate(s)

- MSc from Koneru Lakshmaiah University
Degree Certificate
Marksheet (Rather Than Consolidated Transcript)
- BSc from the University of Burundi
English Translation of Degree Certificate
English Translation of Transcript
Original Language Degree Certificate
Original Language Transcript

Submitting Documents and Clearing Conditions

Each document should be sent in a sealed and endorsed envelope directly from the issuing institution. All documents must be sent from the institution(s) directly to the Faculty of Graduate Studies and Research and received by **December 31, 2021**.

Faculty of Graduate Studies and Research
Killam Centre for Advanced Studies
2-29 Triffo Hall
University of Alberta
Edmonton, Alberta
Canada T6G 2E1

After you have accepted this offer of admission, the Faculty of Graduate Studies and Research will carefully verify all of your documents as a regular step in completing your admission. We will notify you through your Bear Tracks (the University of Alberta online student portal) account when each condition is cleared.

Immigration and Study Permits

If you require a Study Permit, application forms and locations of Canada visa posts are available on the Immigration, Refugees and Citizenship Canada (IRCC) website at www.cic.gc.ca. Since Study Permit processing can take from several weeks to close to a year, we advise you to start the application process immediately.

Check the estimated processing time for your country's particular visa office here:

www.cic.gc.ca/english/information/times/temp/students.asp. UAlberta's Designated Learning Institution Number is O19257171832 (note: the first character is the letter "O" and not the digit "0").

To assist you in preparing for your arrival, please access the University of Alberta International Centre website, which has information about Study Permits, orientation and information about the UAHIP – the University of Alberta Health Insurance Plan. Participation in the UAHIP Plan is mandatory for students residing in Alberta for less than 12 months:

<https://www.ualberta.ca/international-student-services/>.

Scholarship and Financial Information

Contact Physics physgradprogram@ualberta.ca directly if you have questions about financial assistance, scholarships or teaching and research assistantships. For general assistance information, visit <https://uofa.ualberta.ca/graduate-studies/awards-and-funding/financial-support>

Registration

Please refer to the Enrolment Dates section in your [Bear Tracks](#) account for your program's registration date. Always consult with your department before registering. For general registration information, visit www.gradstudies.ualberta.ca.

NOTES

NOTE: Marksheets should be issued individually one semester per page as we do not accept consolidated transcripts.

Tuition Guarantee

In order to provide you with the ability to plan for the financial requirements of attending the University of Alberta beginning in September 2021, we are pleased to provide you with a tuition guarantee for your program. Your annual tuition for your Master of Science (thesis-based) program is \$8,700.00 CAD (Canadian Dollars) and you will be charged each year for up to four years. The maximum guaranteed tuition amount for your Master of Science (thesis-based) degree is \$34,800.00 CAD.

2021 Cohort Master of Science (thesis-based) Tuition Summary Chart		
Guaranteed annual rate	Minimum required payment 1 years at \$8,700.00/year	Maximum total under this guarantee 4 years at \$8,700.00/year
\$8,700.00 + fees*	\$8,700.00 + fees *	\$34,800.00 + fees*
*Fees in addition to tuition are estimated at \$1,800.00 CAD per year, but are subject to approval and change in accordance with University of Alberta policies and procedures.		

Please note the following important points related to the above tuition guarantee:

- This guaranteed rate is only applicable to tuition, and does not include other fees associated with the cost of your program, such as Mandatory Non-Instructional Fees, textbooks, residence costs, food, etc.
- For students in standard programs who register in courses with specialized fees, these extra fees (the difference between a course standard fee and a course specialized fee) are not covered by the guarantee and will represent an additional cost to you.
- You are required to maintain full-time registration in every term (Fall, Winter, Spring and Summer) until your program is complete.
- You are required to pay the annual tuition rate for a minimum of one year. If you complete your program in less than one year, you must still pay the full annual tuition rate for one year.
- Despite the above, this annual tuition rate is guaranteed for four years. If you take longer than four years to complete your program, you will be assessed a new annual tuition rate after four years.
- This tuition guarantee applies to all requirements necessary to complete your program with the exception of any courses taken in Spring and Summer terms. In these terms during the four years included in this guarantee, any courses taken beyond the mandatory registration in THES 906, you will be charged the per course rate established for your admission cohort, in addition to the annual tuition rate.
- If you change programs at the University of Alberta, the tuition guarantee provided within this letter may no longer apply, in which case you would be provided with a new guarantee at the time the program change.

For more information about tuition and fees please see [Tuition and Fees](#) on the FGSR website. Each year you will receive a Fee Assessment through [Bear Tracks](#), which will include your individual invoice for your tuition fees and other costs associated with your specific choice of courses (eg. costs for field trips, specialized supplies, etc.).
