Pollution Awareness Rally

Description of the event:

Pollution has become a common yet serious issue in today's world. A lot of innocent lives are put in danger due to pollution. Pollution can be controlled by taking preventive measures like 3R's principle. International initiatives are also being taken to save the earth. But still raising awareness among people is also particularly important to save our planet.

Being aware of pollution is particularly important to save our planet. And for the kids who are going to be citizen of future world, it is quite mandatory. Therefore, 10 (A) girls BN visited a local school and raised awareness regarding pollution. Children are taught about importance of plants, 3R's principle and other preventive measures. The 3R's principle is Reuse, Reduce, Recycle. The children were excited to gain knowledge and they also promised that they will prevent pollution.

On 25th august 2021, NCC cadets of 10(A) girls BN rallied in the streets of Vaddeswaram. Vaddeswaram is a census town in Guntur district of Andhra Pradesh. The aim of this rally is to raise awareness about adverse effects of pollution. A significant number of volunteers participated in the rally. Banners and placards were displayed and the streets were filled with slogans by the participants. Dean Student affairs, Prof. KRS. Prasad, Launched the program officially. The rally was organized by NCC officer, 10(A) G battalion (I/C,)- Dr. A. Pavani organized event and P. Satyanarayana assisted the cadets.
