POLLUTION AWARENESS

As Per the guide lines given by NCC Unit 22(A) Battalion a mega event on pollution awareness pakhwada a national level event conducted from 01 July to 11 July 2019. In this connection KLEF University conducted an event of road show and rally in Gundimedda village, on air, water, soil and noise pollution awareness. This event is organized on 08-07-19 from 09:30 AM to 12:30 PM. Our cadet makes a rally in gundimedda village and conducted a meeting with village people at panchayat office for giving awareness on pollution and its effects. Village people got benefitted because of this event because most of the villagers don't know how exactly pollution is spreading over the air and water etc. After completion of this program cadets went to government primary school to guide the students to keep pollution free environment after that on this occasion we had taken pledge in school by the students. And in this event total **4** teachers and **42** students participated and benefitted from the event. And the photos for the above events are attached below.
