Admin Off: 29-36-38, Museum Road, Governorpet, Vijayawada - 520 002. Ph: +91 - 866 -2577715, Fax: +91-866-2577717.

### Organic farming club

S.No.	List of Activities : Odd Semester	Outcome of Activities
i.	Visit to various components of organic farming	Visit to various components of an organic farm provides a hands-on experience of sustainable agricultural practices.
ii.	Guest lecture with organic farmer	Provides valuable insights into sustainable agriculture and eco-friendly farming techniques. Farmer shares personal experiences, highlighting the challenges and rewards of organic farming.
iii.	Training programme on preparation of green pesticides	Provides students with practical knowledge on eco-friendly pest management techniques, highlighting importance of green pesticides, emphasizing their role in reducing chemical residues in food and maintaining soil health.
<b>List of Activities: Even Semester</b>		
i.	Visit to organic farmers' field	Valuable insights into sustainable and eco-friendly farming practices. As you witness crops thriving without synthetic chemicals, nurtured by organic fertilizers like compost and manure. The farmer explains the importance of crop rotation, intercropping, and natural pest control using neem extracts and beneficial insects.
ii.	Training programme on organic certification	A training program on organic certification provides essential knowledge and skills for students interested in organic farming. The program covers the principles and standards of organic certification, including regulations set by bodies like USDA Organic, EU Organic, and India's NPOP.
iii.	Visit to organic store	Visit to an organic store offers a unique insight into the world of healthy and sustainable food choices. The store is filled with a variety of fresh organic fruits and vegetables, free from synthetic pesticides and fertilizers,

		natural herbal products, chemical-free cosmetics, and eco-friendly household items promoting a sustainable lifestyle.
