

CONDUCTION OF WORLD PULSES DAY ON 10TH FEBRUARY 2024

On the eve of World Pulses Day, February 10th, 2024, KL College of Agriculture organized agricultural competitions with the theme "Pulses: Nourishing Soils and People" at the MOOT Court, KLEF, Vaddeswaram. The event, graced by Dr. P. Ratna Prasad, Director, and Dr. B. Balakrishna, HOD, KL College of Agriculture, highlighted the crucial role of pulses in agriculture, nutrition, and environmental sustainability.

The competitions included a quiz e-competition titled "Pulse Power: Nourishing Bodies and Earth," focusing on the benefits of pulse cultivation and consumption. Additionally, a painting exhibition showcased the multifaceted contributions of pulses, including enhancing soil health, promoting soil biodiversity, and ensuring global food security.

These competitions aimed to raise awareness about the importance of pulses in nourishing both soils and people, encouraging students to appreciate and embrace pulses as agents of positive change. Certificates were distributed to participants, emphasizing the significance of pulses in promoting health and environmental well-being.
