#### Report on “.The Future of Literature: AI, Automation & Writing – Exploring the impact of AI tools like ChatGPT on creative and academic writing”

**Organized by: Literature Club, KL University, Vijayawada**

**Date: 26th August 2025**

**Venue: Rose Hall, KL University.**

The Literature Club of KL University successfully conducted an insightful event titled “.The Future of Literature: AI, Automation & Writing – Exploring the impact of AI tools like ChatGPT on creative and academic writing” on the 26th of August 2025. Held at Rose Hall, It was both informative and engaging. Everyone participated with enthusiasm, bringing energy and liveliness to the discussion. The session was highly interactive and enjoyable for all.

#### **Objective:**

The primary objective of the workshop was to educate participants on How AI impacts our lives in terms of literature. The session aimed to enhance students’ understanding of how to ethically use AI in their work and life. Participants were encouraged to put forwards their experiece with using AI in their work.

#### **Event Highlights:**

- A session on How AI generates words and literature work.
- Human literature is the back source of AI literature.
- Each participant was asked to use AI to pick a random number between 0 -50 and all got 27/37, supporting the idea that AI is not creative on its own.
- Participants were divided into teams and had a debate whether it was good to use AI in literature of not.

#### **Conclusion & Reflections:**

- Interactive discussion on Literature and AI.
- Students expressed their experieces when using AI.
