Dear Sir,

Please see attached list of selected students in Agastya Automotives Pvt. Ltd.

- Since this company is Vijayawada based start-up, they can't give any stipend /Allowances during Internship.
- They are in to R&D of electric vehicles. Soon they are planning to setup manufacturing plant in Vijayawada.
- Students will get full exposure to R&D of electric vehicles which will be added advantage for their Resumes. So, Kindly counsel your students to go for internship programme in this company.
- Based on their performance during internship programme, company will release offer letters.
- Dr. N.B.V Prasad sir has approved to allow these students for further placements in core companies as they haven't issued offer letters as of now.

Regards
