Dear Students,

We are pleased to inform that, **CoreCogent Techno Engineering Pvt. Ltd** is going to conduct campus recruitment drive for **B.Tech - Mechanical/ Civil and MBA 2019 batch graduates**. Hence, we advise all the eligible students (list enclosed) to go through the below information carefully and plan to attend the campus drive without fail.

Venue: Jasmine Hall
DATE: 18-05-2019 (Saturday)
Time: 09.00 AM

About Us: CoreCogent Techno Engineering is located in the Southern Part of India, in the city of Hyderabad, Telangana. Backed by more than 200 years of combined experience, we provide detailed fabrication drawings for steel fabrication companies throughout the United States, Canada and other parts of the world. Our company was founded on the premise of providing our customers with options to fulfill their detailing needs. We strive for complete customer satisfaction in all aspects of our business. Our firm specializes in providing 3-dimensional modeling and visualization. State-of-the-art analysis and design tools are an integral part of our efforts to provide the finest service available to our clients. We provide services to steel fabricators, contractors, engineers, and design/build developers.

We listen to your needs and develop fast-paced solutions for achieving the client's vision. We provide you with an understanding of how our services can offer you both

economic and quality advantages over other potential choices. We guarantee that we can save you money in upfront cost as well as by shortening the overall schedule of the project. With CoreCogent Techno Engineering , you can rest assured that all your detailing needs will be met in time with superior quality, service, and experience
