Online Assessment

Eligible candidates will be contacted and asked to take an online test at an allocated test center.

January 11, 2019

Technical Interview

Shortlisted candidates will be called for a technical interview at a Cyient office.

January 21 – February 26, 2019

HR Interview

Candidates who are shortlisted in the technical round will be processed for an HR interview.

January 21 – February 26, 2019

Letter of Intent & Paid Pre-joining Training for BE/B. Tech

Selected candidates will receive a letter of intent and begin the pre-joining training program at a dedicated hostel center. (Fee paid for training is reimbursed)

March – June

Offer

Candidates who successfully complete the pre-joining training will receive an offer of employment.

July, 2019

* CTC (inclusive of bonus) for B.E/B. Tech – 3.25L per annum

Eligibility Criteria

Final-year students pursuing BE/B.Tech and ME/M.Tech with a consistent academic record of 60% or more

No active backlogs at the time of taking the online assessment.

Pre-joining Training

- For BE/B.Tech:
 - Candidates selected in the interview process are asked to participate in a paid pre-joining training. The pre-joining training fee will be reimbursed once a candidate joins Cyient. Our selection criteria is based on aggregate training records, as described below:
 - Candidates with 80% and above in the pre-joining training will qualify to join Cyient
 - Candidates with 70% to 79% in the pre-joining training must take remedial classes and appear for re-examination. Failing to secure a minimum of 80% in re-examination will lead to disqualification
 - Candidates with less than 70% in the pre-joining training will be ineligible to join Cyient
- For ME/M.Tech:
 - There is no pre-joining training process.

For specific inquiries about the entire program, please contact: earlycareer@cyient.com
