<b>About Women Engineers Campus Hiring Program</b>  Program and assessment to identify top female talent across India, focusing on programming skills and analytical aptitude to join the Engineering division at Goldman Sachs, Bengaluru	

**Our Engineers don't just make things – we *make things***

**possible.** Change the world by connecting people and capital with ideas. Solve the most challenging and pressing engineering problems for our clients. Join our engineering teams that build massively scalable software and systems, architect low latency infrastructure solutions, proactively guard against cyber threats, and leverage machine learning alongside financial engineering to continuously turn data into action. Create new businesses, transform finance, and explore a world of opportunity at the speed of markets.

Want to push the limit of digital possibilities?  
Start here.

**Assessment Eligibility Criteria:**

All female students across engineering schools in India in the pre-final & final year of graduation and post-graduation

Suited to those with less than 12 months of work experience

**Offer Eligibility Criteria:**

Selection is based on assessment scores and individual interview performance

2019 fulltime (Analyst) offer – year of graduation 2019

2019 internship offer – year of graduation 2020

**Next Steps:**

Encourage you to share the email with students across all departments and other faculty/placement officers to maximize participation

Registered students will receive the test link on the registered email ID
