Objective:

World Nature Conservation Day aims to create awareness about the importance of preserving natural resources and protecting the environment for future generations. It encourages individuals and communities to adopt sustainable practices that reduce environmental degradation. The objective is to promote collective responsibility towards conserving forests, water, air, and biodiversity.

Description:

As per the directives of the Ministry of Youth Affairs & Sports, Government of India, World Nature Conservation Day was observed on Friday, July 25th, 2025, at Nuthakki village in Mangalagiri Mandal under the Swachh Bharat Abhiyan initiative. The event was organized by the National Service Scheme (NSS) units of CSE-2 and AI&DS departments of KL University, under the guidance of the Dean of Student Affairs, Dr. K.R.S. Prasad. On this occasion, NSS volunteers visited every household in the village and spread awareness about the importance of conserving nature. Dr. Prasad emphasized that it is the responsibility of every individual to protect the natural resources gifted by nature and expressed hope that public awareness would increase in this regard.

Program Coordinator Dr. P. Srikanth Reddy explained that the misuse of certain natural resources such as air, water, land, forests, wildlife, energy resources, and minerals — which occur naturally — could lead to irreversible damage and disturb environmental balance, potentially resulting in natural disasters. Heads of the CSE and AI&DS departments, Dr. A. Senthil Athithan and Dr. V.S.V. Prabhakar, stated that environmental protection can be achieved through practices such as planting trees, reusing water, reducing plastic usage, using renewable energy sources, and controlling air pollution. University Vice-Chancellor Dr. G. Pardhasaradhi Varma, Pro-Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkataram, Dr. K. Rajasekhara Rao, and Dean Advisors Dr. Habibullah Khan appreciated the efforts of the volunteers and Field Coordinator Mr. P. Suresh who took part in the program.

Outcome:

The event successfully raised awareness among villagers about the importance of conserving natural resources through household visits by NSS volunteers. Students developed a deeper sense of responsibility towards environmental protection and sustainable living. The initiative encouraged community participation in eco-friendly practices like tree plantation and reducing plastic usage.

Impact on Society:

The event inspired villagers to become more conscious of environmental issues and motivated them to adopt eco-friendly habits. It fostered a sense of community responsibility towards preserving nature. The interaction between NSS volunteers and locals strengthened awareness on sustainable use of natural resources.

Details of the Event:

Sakshi E-Paper:

Awareness on Nature Conservation Must Grow Among People

Tadepalli Rural: Every individual holds the responsibility to protect the natural resources gifted by nature, and public awareness is essential in this regard, said Dr. K.R.S. Prasad, Student Affairs Officer of KL University. On Friday, on the occasion of **World Nature Conservation Day**, NSS volunteers from the university's CSE and AI&DS departments visited households in Nuthakki village of Mangalagiri Mandal and spread awareness on resource conservation. They explained that natural resources like air, water, land, forests, wildlife, energy sources, and minerals, if misused, cannot be regenerated. **Program Coordinator Dr. P. Sreekanth Reddy** noted that when environmental balance is disturbed, there is a risk of natural disasters. Department heads **Dr. A. Senthil Athithan** and **Dr. V.S.P. Prabhakar** stated that environmental protection can be achieved through actions like tree plantation and reducing plastic usage. University **Registrar Dr. K. Subbarao**, **Dean Dr. K.R.S. Prasad**, and **Advisor Dr. Habibullah Khan**, along with others, appreciated the efforts of the volunteers and Field Coordinator Mr. P. Suresh who participated in the event.

Suryaa E-Paper

Public Awareness on Nature Conservation is Essential

– Dr. K.R.S. Prasad, Student Affairs Officer, KL University

Mangalagiri, Major News: Every individual holds the responsibility to protect the natural resources gifted by nature, and public awareness is essential in this regard, said Dr. K.R.S. Prasad, Student Affairs Officer of KL University. On Friday, on the occasion of **World Nature Conservation Day**, NSS volunteers from the university's **CSE and AI&DS departments** visited households in **Nuthakki village** under Mangalagiri Mandal and created awareness about resource conservation, he stated. **Program Coordinator Dr. P. Sreekanth Reddy** explained that resources such as air, water, land, forests, wildlife, energy sources, and minerals — which occur naturally — cannot be regenerated if misused.

Such misuse could disrupt environmental balance and lead to natural disasters. **CSE and AI&DS department heads Dr. A. Senthil Athithan and Dr. V.S.V. Prabhakar** emphasized that environmental protection can be achieved through actions like planting trees, reusing water, reducing plastic usage, using renewable energy, and minimizing air pollution. **University Registrar Dr. K. Subbarao**, **Dean Dr. K.R.S. Prasad**, and **Advisors Dr. Habibullah Khan** and others appreciated the efforts of the participating volunteers and **Field Coordinator Mr. P. Suresh**.

Prajaraksha E-Paper

Public Awareness on Nature Conservation is Essential

Mangalagiri, July 25 – Prajaraksha for Nature: Every individual has the responsibility to protect the natural resources gifted by nature, and there is a need to raise public awareness on this matter, said **Dr. K.R.S. Prasad**, Student Affairs Officer of KL University. On Friday, in connection with **World Nature Conservation Day**, NSS volunteers from the university's **CSE and AI&DS departments** visited households in **Nuthakki village** under Mangalagiri Mandal to raise awareness about resource conservation, he stated. **Program Coordinator Dr. P. Sreekanth Reddy** explained that if naturally available resources like air, water, land, forests, wildlife, energy sources, and minerals are misused, they cannot be regenerated. He warned that such misuse could harm environmental balance and increase the risk of natural disasters. **Department Heads Dr. A. Senthil Athithan and Dr. V.S.V. Prabhakar** of CSE and AI&DS noted that environmental protection can be achieved through initiatives such as tree plantation, water reuse, reduction in plastic usage, adoption of renewable energy sources, and reduction of air pollution. **University Registrar Dr. K. Subbarao**, **Dean Dr. K.R.S. Prasad**, **Advisor Dr. Habibullah Khan**, and others appreciated the efforts of the participating volunteers and **Field Coordinator Mr. P. Suresh**.

Eenadu E- Paper

Natural Resources Must Be Protected

Tadepalli, News Today: NSS students of KL University, located in Vaddeswaram, Tadepalli Mandal, conducted an awareness program on the conservation of natural resources in nearby villages on Friday. As part of this initiative, and on the occasion of **World Nature Conservation Day**, students from the **CSE, AI&DS, and NSS departments** went door-to-door in **Nuthakki village of Mangalagiri Mandal** under the leadership of **Dr. K.R.S. Prasad**, Dean of Student Affairs at KL University, to raise awareness on resource conservation. **Program Coordinator Dr. Sreekanth Reddy**, **Field Coordinator Mr. Suresh**, and others also participated in the event.

Vaartha E-Paper

Public Awareness on Nature Conservation is Essential

– Dr. K.R.S. Prasad, Student Affairs Officer, KL University

Tadepalli, July 25 – Prabhat Varta: Protecting the natural resources gifted by nature is the responsibility of every individual, and there is a need to raise awareness among the public, said **Dr. K.R.S. Prasad**, Student Affairs Officer of KL University. He stated that on the occasion of **World Nature Conservation Day**, NSS volunteers from the university's **CSE and AI & DS departments** visited households in **Nuthakki village** and created awareness about the conservation of resources. **Program Coordinator Dr. P. Sreekanth Reddy** explained that if natural resources such as air, water, land, forests, wildlife, energy resources, and minerals are misused, they cannot be regenerated, which may disturb the ecological balance and lead to natural disasters. **Field Coordinator Mr. P. Suresh** and others emphasized that protecting the environment is possible by planting trees, reusing water, reducing plastic usage, utilizing renewable energy sources, and minimizing air pollution.

University Registrar Dr. K. Subbarao, **Dean Dr. K.R.S. Prasad**, **Department Heads Dr. A. Senthil Athithan**, **Dr. V.S.P. Prabhakar**, and **Advisor Dr. Habibullah Khan** appreciated the efforts of the volunteers who actively participated in the program.

Objective:

The objective of household sanitation awareness is to educate families about the importance of maintaining cleanliness in and around their homes. It aims to reduce the risk of infections and diseases by encouraging proper waste disposal, use of toilets, and hygiene practices. This awareness fosters a healthier living environment and improves overall well-being. It also promotes community responsibility and sustainable sanitation habits.

Description:

As per the directions of the Ministry of Youth Affairs & Sports, Government of India, and under the Gramin Swachh Bharat Mission, the NSS units of KL University (CSE-2 and AI&DS departments) organized a cleanliness awareness program on Friday, July 25, 2025, at Pedapalem village, Duggirala Mandal. According to Dr. K.R.S. Prasad, Dean of Student Affairs at KL University, NSS volunteers, along with ANMs and ASHA workers, went door-to-door in the village to raise awareness about the importance of maintaining cleanliness in and around households. He noted that continuous rainfall has led to accumulation of waste, mud, and stagnant water, increasing the risk of seasonal health issues.

Dr. Habeebullah Khan, Dean Advisor, stressed the need for both personal and environmental hygiene, especially during the rainy season. He pointed out that items like discarded coconut shells, old tires, pots, and open water containers become breeding grounds for mosquitoes, which can cause diseases like dengue, malaria, and chikungunya. Additionally, contaminated water can lead to illnesses such as typhoid, cholera, hepatitis-A, and skin infections, warned NSS Program Coordinator Dr. P. Sreekanth Reddy. Dr. HOD emphasized preventive measures such as regular garbage disposal, using toilets for sanitation, preventing stagnant water, using mosquito nets, and keeping water storage tanks and drums covered to stop the spread of diseases.

The program was coordinated by Mr. P. Suresh, with participation and support from village elder Patibandla Krishna Prasad, Village Secretariat Secretary Venkata Rao, and KL University dignitaries including Vice-Chancellor Dr. G. Parthasaradhi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkataram, and Dr. K. Rajasekhar Rao, all of whom congratulated and appreciated the volunteers.

Outcome:

The cleanliness awareness program significantly improved public understanding of hygiene and sanitation in Pedapalem village. NSS volunteers effectively educated households on preventing mosquito-borne and water-borne diseases. The initiative encouraged residents to adopt hygienic practices such as proper waste disposal and covered water storage. Community participation and institutional support ensured the event’s success and lasting impact.

Impact on Society:

The event fostered a strong sense of responsibility among villagers towards maintaining a clean environment. It helped reduce health risks by promoting preventive measures against seasonal diseases. Community engagement increased awareness about hygiene and sanitation practices. The initiative strengthened collaboration between students, health workers, and local residents for a healthier society.

Andhra Prabha E-Paper:

Be Vigilant About Seasonal Diseases

Duggirala, August 1 (Andhra Prabha): Everyone should maintain not only personal hygiene but also cleanliness in their surroundings during the rainy season, said Dr. K.R.S. Prasad, Head of Student Welfare, KL University. On Friday, under the joint supervision of KL University's NSS and AIDS Departments and the village secretariat, volunteers along with ANM M. Mary Latha and ASHA workers conducted a door-to-door awareness program titled “Clean Surroundings – Healthy Living” at Pedapalem village in the mandal as part of the Swachh Bharat Abhiyan. During the campaign, Dr. Habibullah Khan explained the precautions to be taken to maintain hygiene. Dr. V.S.V. Prabhakar, Head of the AIDS Department, stated that stagnant water in discarded coconut shells, old tires, pots, and containers can become breeding grounds for mosquitoes, leading to dangerous fevers such as dengue, malaria, and chikungunya. He also mentioned that typhoid, cholera, hepatitis-A, and skin diseases can be caused by contaminated water. Dr. P. Sreekanth Reddy, NSS Program Coordinator, advised that proper waste disposal, prevention of water stagnation, use of mosquito nets, and covering water tanks and drums can help in controlling the spread of diseases. The event was coordinated by P. Suresh, and the volunteers were appreciated by village elder Patibandla Krishna Prasad, Village Secretariat Secretary Venkatrav, and KL University Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkataram, Dr. K. Rajashekara Rao, Registrar Dr. K. Subbarao, among others.

Objective:

The objective of creating awareness on environmental hygiene is to educate people about the importance of keeping their surroundings clean and healthy. It aims to reduce the spread of diseases by promoting proper waste management, sanitation, and safe water practices. The program encourages individuals and communities to adopt hygienic habits that protect both personal health and the environment. It also seeks to instill a sense of responsibility towards maintaining cleanliness in public spaces. Ultimately, the goal is to build a healthier, safer, and more sustainable living environment for all.

Description:

As part of the Nirmal Bharat Abhiyan programme initiated by the Ministry of Youth Affairs and Sports, Government of India, KL University National Service Scheme (NSS) organized a Shramdaan programme on Friday at Chirravuru village, Tadepalli Mandal. During this event, the AI&DS and CSE-2 departments conducted an Awareness Programme on Environmental Hygiene, informed Dr. K.R.S. Prasad, Dean of Student Welfare, KL Deemed University.

On this occasion, he said that every individual has the responsibility not only to maintain personal hygiene but also to keep their surroundings clean, which in turn helps prevent health issues. Volunteers went door-to-door educating people not to dump garbage in drains or on roads, but instead to dispose of it in waste collection vehicles. They also advised households to prevent stagnation of rainwater and wastewater to maintain cleanliness, explained Dr. V.S.V. Prabhakar, Head of the AI&DS Department.

Further, Dr. A. Senthil Athithan, Head of the CSE-3 Department, stated that stagnant sewage in drains, discarded coconut shells, tyres, and unused water containers create breeding grounds for mosquitoes, leading to the spread of fevers like Dengue, Malaria, and Chikungunya. People were advised to use mosquito nets, consume hygienic food, and consult doctors if fever persists for more than three days.

The efforts of the NSS volunteers were appreciated by University Vice-Chancellor Dr. G. Pardha Saradhi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkataram, Dr. K. Rajasekhara Rao, Dean Dr. Habeebulla, and Programme Coordinator Dr. P. Sreekanth Reddy, along with NSS Field Coordinator P. Suresh.

Outcome:

The awareness programme on environmental hygiene conducted at Chirravuru village brought significant outcomes. Villagers realized the importance of maintaining both personal and community cleanliness to safeguard their health. They were educated on proper waste disposal methods and the need to prevent water stagnation to avoid mosquito breeding. The community also gained awareness about protecting themselves from diseases like Dengue, Malaria, and Chikungunya by following hygienic practices. Overall, the event fostered a sense of responsibility among the villagers towards building a healthier and cleaner environment.

Impact on Society:

The event made a positive impact on society by encouraging villagers to adopt cleaner and healthier lifestyles. It helped build awareness on the importance of sanitation, waste management, and prevention of mosquito-borne diseases. People were motivated to keep their surroundings free from stagnant water and garbage, reducing health risks in the community. The programme also promoted collective responsibility, uniting residents towards maintaining a hygienic environment. Ultimately, it strengthened public health awareness and contributed to the vision of a cleaner and disease-free society.

Sakshi E-Paper:

Awareness on Environmental Cleanliness

Tadepalli Rural: Under the aegis of KL University NSS, an awareness programme on environmental cleanliness was organized on Friday at Chirravuru village in Tadepalli Rural mandal. On this occasion, University Dean of Student Welfare, Dr. K.R.S. Prasad, said that every individual should maintain not only personal hygiene but also keep their surroundings clean. Volunteers from the AI&DS and CSE-2 departments went door-to-door advising people not to dump garbage in drains or on roads.Dr. V.S.P. Prabhakar, Head of AI&DS, explained that households should ensure that rainwater and wastewater do not stagnate around their surroundings. Dr. A. Senthil, Head of CSE-3, pointed out that stagnation of sewage in drains leads to mosquito breeding, which in turn causes the spread of diseases like Dengue, Malaria, and Chikungunya. People were advised to use mosquito nets and to consult doctors if fever persists beyond three days. NSS Field Coordinator P. Suresh and the volunteers were appreciated by University Vice-Chancellor Dr. G. Pardha Saradhi Varma, Pro Vice-

Chancellors Dr. A.V.S. Prasad, Dr. N. Venkataram, Dr. K. Rajasekhara Rao, Dean Dr. Habeebulla, and Programme Coordinator Dr. P. Sreekanth Reddy.

Andhraprabha E-Paper

Cleanliness of Surroundings is Everyone's Responsibility

Tadepalli, August 22 (Andhra Prabha): Every individual has the responsibility to maintain not only personal hygiene but also environmental cleanliness, which in turn helps people stay away from health problems, said Dr. K.R.S. Prasad, Dean of Student Welfare, KL Deemed University, while addressing the public. On Friday, as part of an NSS initiative at Chirravuru village, Tadepalli Mandal, volunteers from the AI&DS and CSE-2 departments went door-to-door, creating awareness among residents to dispose of garbage in waste collection vehicles instead of throwing it in drains and on roads. They also advised households to prevent the stagnation of rainwater and wastewater in their surroundings, informed Dr. V.S.V. Prabhakar, Head of the AI&DS Department. Dr. A. Senthil Athithan, Head of the CSE-3 Department, explained that sewage accumulation in drains, discarded coconut shells, tyres, and unused water containers serve as breeding grounds for mosquitoes, leading to the spread of fevers such as Dengue, Malaria, and Chikungunya. People were advised to use mosquito nets, consume hygienic food, and consult doctors if fever persists beyond three days. NSS Field Coordinator P. Suresh and the volunteers were appreciated by University Vice-Chancellor Dr. G. Pardha Saradhi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkataram, Dr. K. Rajasekhara Rao, Dean Dr. Habeebulla, and Programme Coordinator Dr. P. Sreekanth Reddy.

Prajasakthi E-Paper

Cleanliness of Surroundings is Everyone's Responsibility

Prajashakti, Tadepalli Rural: Every individual has the responsibility to maintain not only personal hygiene but also the cleanliness of their surroundings, which helps prevent health problems, said Dr. K.R.S. Prasad, Dean of Student Welfare, KL Deemed University, while addressing the public. On Friday, at Chirravuru village under the NTMC limits, NSS volunteers from the AI&DS and CSE-2 departments went door-to-door creating awareness. They advised people not to throw garbage on roads or in drains, but to dispose of it in waste collection vehicles. They also emphasized the need to prevent stagnation of rainwater and wastewater in order to keep the surroundings clean, informed Dr. V.S.V. Prabhakar, Head of the Department.

Vaartha E-Paper:

Cleanliness of Surroundings is Everyone's Responsibility

Tadepalli, August 22 (Prabhat Vartha): Every individual has the responsibility to maintain not only personal hygiene but also the cleanliness of their surroundings, which helps them stay away from health problems, said Dr. K.R.S. Prasad, Dean of Student Welfare, KL Deemed University, while addressing the public. On Friday, at Chirravuru village under Tadepalli Mandal, NSS volunteers from the AI&DS and CSE-2 departments went door-to-door creating awareness. They advised people not to throw garbage on roads or into drains, but to dispose of it in waste collection vehicles. They also emphasized the need to prevent stagnation of rainwater and wastewater to keep the surroundings clean, informed Dr. V.S.P. Prabhakar, Head of the AI&DS Department. Dr. A. Senthil Athithan, Head of the CSE-3 Department, explained that sewage accumulation in drains, discarded coconut shells, tyres, and unused water containers lead to mosquito breeding, which increases the risk of diseases like Malaria and Chikungunya. NSS Field Coordinator P. Suresh and the volunteers were appreciated by University Vice-Chancellor Dr. G. Pardha Saradhi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkataram, Dr. K. Rajasekhara Rao, Dean Dr. Habeebulla, and Programme Coordinator Dr. P. Sreekanth Reddy.

Objective:

The objective of the Awareness on Nutrition (Poshan Abhiyan) is to educate people, especially women and children, about the importance of balanced and nutritious food for overall health and development. It aims to reduce malnutrition, anemia, and other diet-related health issues in vulnerable communities. The program promotes healthy eating habits, proper meal planning, and the inclusion of essential nutrients in daily diets. It also encourages community participation to ensure food security and nutritional well-being. Overall, Poshan Abhiyan seeks to create a healthier society by fostering awareness and practical knowledge about nutrition.

Description:

As per the directives of the Ministry of Youth Affairs and Sports and the Ministry of Women and Child Development, the National Service Scheme (NSS) of KL University conducted awareness activities during the National Nutrition Week on Saturday at Mellampudi village, Tadepalli Mandal. NSS volunteers from the AI&DS Department went door-to-door to educate villagers about the benefits and importance of consuming nutritious food, informed Dr. KRS Prasad, Dean – Student Affairs, KL University.

He emphasized that consuming a balanced diet is essential for a healthy life, especially for pregnant women, lactating mothers, young children, adolescent girls, the elderly, and individuals with health issues, to achieve overall well-being, according to Dr. P. Sreekanth Reddy, NSS Program Coordinator.

NSS Program Officer Mr. V. Joe Nithin explained that including green leafy vegetables, gourds, fruits, legumes, sesame seeds, milk, ragi, eggs, meat, and fish in the diet can help prevent anemia and other nutritional deficiencies. He further noted that boosting immunity through nutritious food is crucial to prevent seasonal viral diseases.

The program was coordinated by NSS Field Coordinator Mr. P. Suresh, and the efforts of the volunteers were appreciated by KL University Vice-Chancellor Dr. G. Pardha Saradhi Varma, Pro-Vice Chancellors Dr. AVS Prasad, Dr. N. Venkata Ram, Dr. K. Rajashekar Rao, Student Affairs Advisors Dr. Habibulla Khan, and AI&DS Department Head Dr. VSV Prabhakar, among others.

Outcome:

The Nutrition Awareness program under Poshan Abhiyan successfully educated villagers about the importance of consuming a balanced and nutritious diet. It increased awareness among pregnant women, children, adolescents, the elderly, and those with health issues about the benefits of proper nutrition for overall health and immunity. The event highlighted practical ways to prevent anemia, seasonal illnesses, and viral infections through diet. NSS volunteers actively engaged with the community, encouraging healthy eating habits and lifestyle changes. Overall, the program fostered a stronger understanding of nutrition, contributing to better health and well-being in the village.

Impact on Society:

The Nutrition Awareness program under Poshan Abhiyan has a positive impact on society by promoting healthier eating habits among vulnerable groups in the community. It helps prevent malnutrition, anemia, and seasonal illnesses, improving overall public health. By educating families about the benefits of a balanced diet, the program encourages long-term lifestyle changes. The active involvement of NSS volunteers strengthens community engagement and trust in health initiatives. Ultimately, the program contributes to building a healthier, more informed, and resilient society.

Andhraprabha E-Paper:

Complete Health through Nutrition

Tadepalli, September 15 (Andhra Prabha) Dr. K.R.S. Prasad, Dean of Student Affairs at KL University, suggested that everyone can lead a healthy life by consuming nutritious food. He emphasized that it is especially essential for pregnant women, infants, children, adolescents, the elderly, and those suffering from health issues, as proper nutrition can lead to complete health. As part of the National Nutrition Week, on Monday, NSS volunteers from the AI DS Department, under the supervision of the university NSS unit, visited houses in Mellampudi village, Tadepalli Mandal, to create awareness about the benefits of consuming nutritious food and its importance. Dr. P. Sreekanth Reddy, NSS Program Coordinator, explained that consuming vegetables, leafy greens, fruits, pulses, sesame seeds, milk, ragi, eggs, meat, fish, and other nutritious foods can help overcome anemia. NSS Program Officer V. Jonithin suggested that, in order to fight current viruses and seasonal illnesses, immunity should be strengthened, which can be achieved through proper nutrition. NSS Field Coordinator P. Suresh, volunteers, University VC G. Pardhasaradhivarma, Pro-Vice Chancellors Dr. AVS Prasad, Dr. N. Venkatram, Dr. K. Rajashekhara Rao, Student Affairs advisors Dr. Habibullah Khan, and AI DS Department Head Dr. VSV Prabhakar, among others, appreciated the efforts.

Sakshi E-Paper

Complete Health through Nutrition

Tadepalli Rural: As part of the National Nutrition Week, students from Waddeswaram KL University organized an awareness program on Monday in Mellampudi, Tadepalli Rural. Dr. K.R.S. Prasad, Dean of Student Affairs, emphasized that everyone should consume nutritious food. NSS volunteers went door-to-door to explain the benefits and importance of taking a balanced diet. Dr. P. Sreekanth Reddy, NSS Program Coordinator, NSS Program Officer V. Jonithin, Field Coordinator P. Suresh, volunteers, University VC Dr. G. Pardhasarathi Varma, Pro-Vice Chancellors Dr. AVS Prasad, and others appreciated the efforts.

Andhrajyothi E-Paper

Complete Health through Nutrition

Tadepalli, September 15 (Andhra Jyothi): Dr. Prasad, Dean of Student Affairs at KL University, suggested that everyone can lead a healthy life by consuming nutritious food. He emphasized that it is especially essential for pregnant women, adolescents, children, and the elderly, as proper nutrition can help them achieve complete health. As part of the National Nutrition Week, NSS volunteers from the AI & DS Department, under the supervision of the University NSS unit, went door-to-door in Mellampudi to explain the benefits and importance of consuming nutritious food. Dr. Sreekanth Reddy, NSS Program Coordinator, elaborated on these benefits. NSS Program Officer V. Jonithin, Field Coordinator P. Suresh, volunteers, University VC G. Pardhasaradhi Varma, Pro-Vice Chancellors Dr. Prasad, Dr. Rajashekhara Rao, Dr. Venkatram, Deans Dr. Habibullah Khan, and AI & DS Department Head Dr. Prabhakar, among others, appreciated the efforts.

Objective:

The main objective of cleaning the bus shelter is to promote cleanliness and hygiene in public places. It aims to create awareness among citizens about the importance of maintaining a clean environment. The activity encourages community participation and a sense of social responsibility. It also helps in providing a pleasant and healthy waiting space for commuters. Overall, the initiative supports the Swachh Bharat mission by fostering civic sense and environmental consciousness.

Description:

As per the directions of the Ministry of Youth Affairs and Sports, under the Swachhata Hi Seva programme, the NSS unit of KL University organized a cleanliness drive at Revendrapadu village in Duggirala Mandal on Friday. KL University NSS Programme Coordinator Dr. P. Sreekanth Reddy stated that the bus shelter, which was previously in an unhygienic condition, was cleaned as part of the activity. NSS volunteers from the AI&DS department participated in the service activity by cleaning the wall posters, removing dust and waste materials, and washing the entire premises with water to make it neat and clean.

Awareness was also created among the local residents on the importance of keeping public places like bus shelters clean and hygienic for everyone's benefit. Later, students went door to door to spread awareness about maintaining cleanliness in their surroundings. NSS Programme Officer V. Joe Nithin explained that keeping homes and surroundings clean ensures a healthy environment.

AI&DS Department Head Dr. V. S. V. Prabhakar mentioned that local villagers also took part in the cleanliness drive. The event was coordinated by NSS Field Coordinator P. Suresh. The volunteers were appreciated by KL University Vice-Chancellor Dr. G. Parthasaradhi Varma, Pro Vice-Chancellors Dr. A. V. S. Prasad, Dr. N. Venkatram, Dr. K. Rajashekhara Rao, Dean of Student Affairs Dr. K. R. S. Prasad, and Advisor Dr. Habibulla Khan. Village Sarpanch P. Mariyamma extended her support for the programme.

Outcome:

The cleanliness drive at Revendrapadu village resulted in a cleaner and more hygienic bus shelter for public use. The activity enhanced community awareness about the importance of maintaining cleanliness in public spaces. It encouraged active participation from both students and local residents, fostering a sense of responsibility towards the environment. The initiative improved the overall

appearance and sanitation of the area. It also strengthened the bond between the university and the local community through meaningful social service.

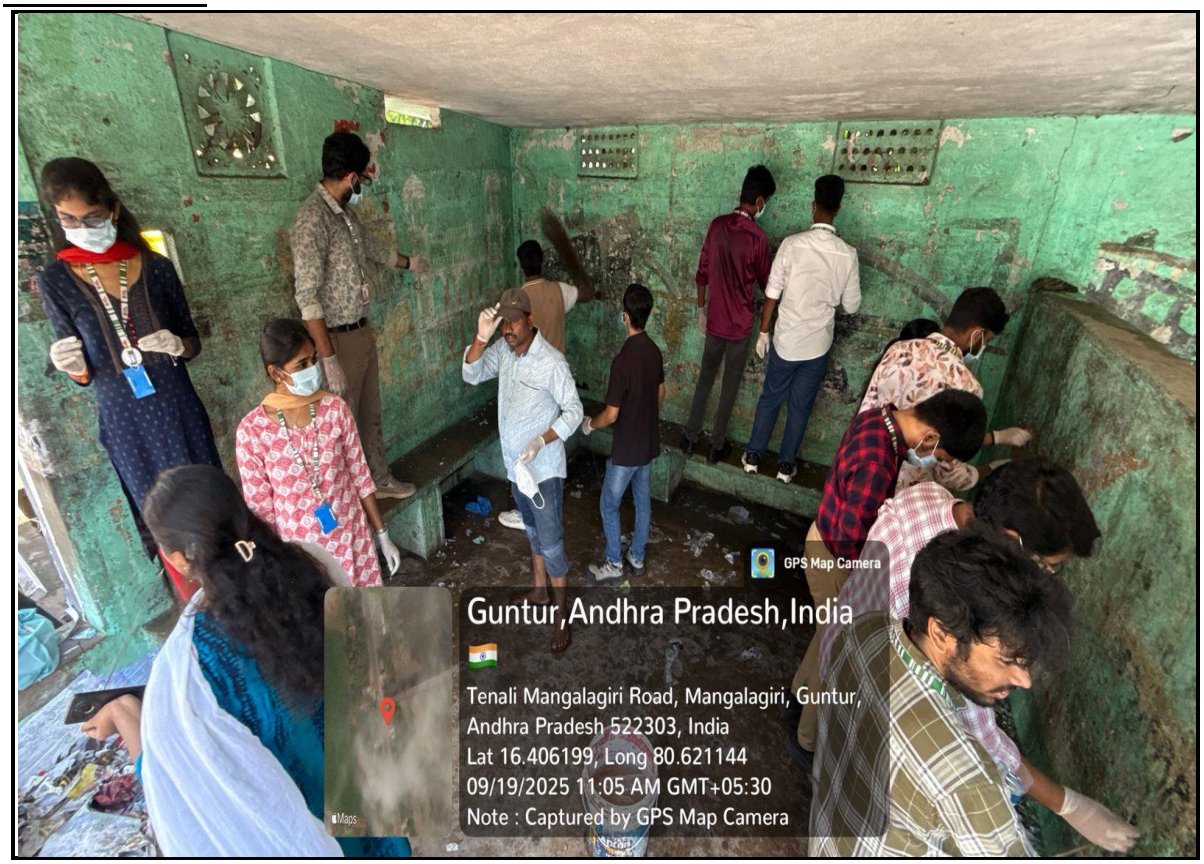

Impact on Society:

The event had a positive impact on society by promoting the values of cleanliness and social responsibility among citizens. It inspired the local community to actively participate in maintaining hygiene in their surroundings. The initiative helped in creating awareness about the importance of a clean environment for better health and well-being. It motivated others to take part in similar activities for community development. Overall, the program contributed to building a cleaner, healthier, and more responsible society.

NSS Volunteers Cleaned the Bus Shelter

Tadepalli, September 19 (Prabhata Vartha): As part of the Swachhata Hi Seva programme, NSS volunteers of KL University cleaned an unhygienic bus shelter at Revendrapadu village in Duggirala Mandal on Friday, informed Dr. P. Sreekanth Reddy, NSS Programme Coordinator of the University. He stated that the NSS volunteers from the AI & DS department actively participated in the cleanliness drive. Later, as part of the same initiative, the students went door to door to create awareness among villagers about maintaining cleanliness in their surroundings. AI & DS Department Head Dr. V. S. V. Prabhakar mentioned that local residents also took part in the service activity. The programme was coordinated by NSS Field Coordinator P. Suresh. The volunteers were appreciated by KL University Vice-Chancellor Dr. G. Parthasaradhi Varma, Pro Vice-Chancellors Dr. A. V. S. Prasad, Dr. N. Venkatram, Dr. K. Rajashekhara Rao, Dean of Student Affairs Dr. K. R. S. Prasad, and Advisor Dr. Habibulla Khan. Village Sarpanch P. Mariyamma extended her support for the programme.

KL University Conducts Swachhata Hi Seva at Revendrapadu

Duggirala, September 19 (Andhra Prabha): As part of the Swachhata Hi Seva programme, the NSS Unit of KL University organized a cleanliness drive at Revendrapadu village in Duggirala Mandal on Friday. University NSS Programme Coordinator Dr. P. Sreekanth Reddy informed that the bus shelter near the bridge, which was in an unhygienic condition, was thoroughly cleaned. He stated that NSS volunteers from the AI&DS department actively participated in this service activity. The volunteers cleaned the wall posters, removed waste materials, and washed the entire bus shelter premises with water. Awareness was also created among the local people about maintaining cleanliness in public places like the bus shelter, which is used by everyone. Later, as part of the Swachhata Hi Seva programme, students went door to door to spread awareness about keeping their surroundings clean. AI&DS Department Head Dr. V. S. V. Prabhakar mentioned that the local residents also participated in the cleanliness drive. The programme was coordinated by NSS Field Coordinator P. Suresh. The volunteers were appreciated by KL University Vice-Chancellor Dr. G. Parthasaradhi Varma, Pro Vice-Chancellors Dr. A. V. S. Prasad, Dr. N. Venkatram, Dr. K. Rajashekhara Rao, Dean of Student Affairs Dr. K. R. S. Prasad, and Advisor Dr. Habibulla Khan. Village Sarpanch P. Mariyamma extended her support to the initiative.

REGISTRAR

Objective:

The objective of Swachhata Hi Seva (Ek Din Ek Ghanta Ek Saath) is to promote cleanliness and hygiene across communities by encouraging collective action. It aims to instill a sense of responsibility among citizens to maintain their surroundings clean. The campaign focuses on spreading awareness about proper waste management and sanitation practices. It seeks to foster community participation where people dedicate one hour together to clean their local areas. Ultimately, it contributes to building a cleaner, healthier, and more sustainable environment for all.

Description:

Under the directives of the National Service Scheme (NSS), Ministry of Youth Affairs and Sports, KL University NSS, in collaboration with Mangalagiri Tadepalli Municipal Corporation, organized the Swachhata Hi Seva (Ek Din Ek Ghanta Ek Saath) program on Thursday, 25th September 2025, from 8:00 AM to 9:00 AM. During this hour, KL University NSS volunteers cleaned the ghats in Seetanagar, Tadepalli Mandal, removing garbage, waste, and unwanted vegetation, as reported by Dean of Student Affairs, Dr. K.R.S. Prasad.

As part of the Swachhata Hi Seva fortnight, initiated by the government to commemorate Mahatma Gandhi's Birth Anniversary, students collected the waste from the ghats and transported it to the dumping yard. Corporation Commissioner Mr. Aleam Baha administered the cleanliness pledge to the students and advised them to raise awareness among villagers about hygiene, encouraging proper waste disposal at designated locations away from homes. He also emphasized avoiding accumulation of coconut shells, old tires, uncovered water drums, buckets, and other containers, and ensuring no stagnant water in flower pots or drains.

The program saw participation from Corporation Assistant Commissioner Mr. Srinivasarao and staff. NSS Field Coordinator P. Suresh and Program Officers Dr. K.V.V. Raju, Dr. C.H. Nagamani, Dr. S. Ramesh Kumar, and Dr. S. Pradeep Kumar actively supported the volunteers. The efforts of the students were appreciated by University Vice-Chancellor Dr. G. Pardhasaradhi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkatram, Dr. K. Rajashekar Rao, Dean Student Affairs Advisors Dr. Habibullah Khan, Registrar Dr. K. Subbarao, and Principal Dr. V. Rajesh, among others.

Outcome:

The outcome of the Swachhata Hi Seva (Ek Din Ek Ghanta Ek Saath) program was highly positive and impactful. The NSS volunteers successfully cleaned the Seetanagar ghats, removing waste and promoting environmental hygiene. The event encouraged community participation and created awareness about the importance of cleanliness and sanitation. Students became role models in spreading the message of maintaining a clean and healthy environment. Overall, the initiative strengthened the spirit of collective responsibility and contributed to the vision of a Swachh Bharat.

Impact on Society:

The event had a significant impact on society by inspiring citizens to take active responsibility for their surroundings. It promoted awareness about cleanliness, hygiene, and waste management among the local community. People realized the importance of keeping public places clean for better health and environmental well-being. The initiative fostered unity, cooperation, and civic sense among residents and students alike. Ultimately, it contributed to building a cleaner, healthier, and more conscious society.

Prajaraksha E-Paper

Grand "Ek Din – Ek Saath – Ek Ghanta" Cleanliness Drive

Tadepalli, September 25: As part of the prestigious Swachhata Hi Seva 2025 program being jointly organized by the Central and State Governments from September 17 to October 2, a massive "Ek Din, Ek Saath, Ek Ghanta" Shramdaan (voluntary labor) activity was conducted under the banner "Swachh Utsav 2025" within the Mangalagiri–Tadepalli Municipal Corporation limits on Thursday. As part of this initiative, the Prakasam Barrage Seetanagaram Ghat area was cleaned under the supervision of Municipal Commissioner Aleem Basha, Additional Commissioner Shakuntala, and Assistant Commissioner Srinivasarao, with the participation of municipal staff, ward secretariat employees, volunteers, sanitation workers, MEPMA staff, NGO members, and local residents. Together, they cleared garbage and waste from the ghat and carried out a large-scale cleanliness drive. Swachhandra Director Arudra Bhoolakshmi, along with local leaders, KL University students, and students, principals, teachers, and staff from various schools, took part in the drive. The participants raised slogans such as "Clean India, Green India", making the event a grand success. Speaking on the occasion, Commissioner Aleem Basha emphasized that every citizen should develop awareness about cleanliness and dedicate at least one hour a week to cleaning their surroundings. He advised people to segregate dry and wet waste and hand it over to the sanitation workers who visit their homes daily. He also encouraged everyone to become "Environment Friends" (Paryavaran Mitras) by adopting eco-friendly alternatives to plastic, contributing to the vision of a Single-Use Plastic-Free, Clean Mangalagiri–Tadepalli City. In several wards across the city, ward secretariat staff, SHG members, and local residents conducted mega cleanliness drives, tree plantation programs, Swachhata pledges, Swachh Utsav rallies, home composting and terrace gardening activities, and awareness campaigns on plastic ban and environmental cleanliness.

Swachh Utsav 2025 at Seetanagaram Ghat

Tadepalli Town, September 25 (Andhra Jyothi): As part of the Swachhata Hi Seva – 2025 campaign, various programs were organized under the banner "Swachh Utsav – 2025" within the Mangalagiri–Tadepalli Municipal Corporation (MTMC) limits on Thursday, as part of the "Ek Din – Ek Ghanta – Ek Saath" initiative. At the Seetanagaram Pushkara Ghat, the cleanliness drive was carried out under the supervision of MTMC Commissioner Aleem Basha, Additional Commissioner Shakuntala, and Assistant Commissioner Srinivasarao, along with municipal staff, ward secretariat employees, voluntary organizations, sanitation and MEPMA staff, local residents, and community leaders. Together, they cleaned the ghat area and removed accumulated waste. Participants raised slogans such as "Clean India, Green India", making the event spirited and inspiring. The program also saw participation from Swachhandhra Director Arudra Bhoolakshmi, TDP constituency observers Mummadi Satyanarayana, Itta Bhaskar, Annem Kusuma, Janasena leader Ambati Tirup Tiravu, KL University students, school students, teachers, SHG members, and local citizens, who actively joined in the cleanliness drive.

Prajasakthi E-Paper

Voluntary Cleanliness Drive at Seetanagaram

Prajashakti – Tadepalli: As part of the Swachh Utsav 2025 initiative, a voluntary Shramdaan (cleanliness drive) was organized on Thursday at Seetanagaram, under the Mangalagiri–Tadepalli Municipal Corporation (MTMC) limits. Under the supervision of Commissioner Aleem Basha, Additional Commissioner Mrs. Shakuntala, and Assistant Commissioner Srinivasarao, municipal staff, ward secretariat employees, voluntary organizations, sanitation workers, MEPMA staff, and local residents participated in cleaning the Seetanagaram Ghat near Prakasam Barrage, removing waste and restoring cleanliness to the area. The event witnessed active participation from Swachhandra Director Mrs. Arudra Bhoolakshmi, TDP leaders Satyanarayana and Itta Bhaskar Rao, Janasena leader Ambati Tirupathi Rao, coalition representatives, KL University students, and students, principals, teachers, and staff from various schools, who enthusiastically joined the large-scale cleanliness drive, raising slogans such as "Clean India – Green India." Speaking on the occasion, Commissioner Aleem Basha urged all citizens to develop awareness about cleanliness and to dedicate at least one hour every week to voluntarily cleaning their home surroundings with special care and responsibility.

A Healthy Society Can Be Built Only by Protecting the Environment
– MTMC Commissioner Aleem Basha

Mangalagiri Town / Tadepalli Rural: MTMC Commissioner Aleem Basha stated that only by protecting the environment can we provide a healthy society for future generations. As part of the "Ek Din – Ek Ghanta – Ek Saath" program, a cleanliness drive was conducted on Thursday at Seetanagaram, within the Tadepalli municipal limits. The Commissioner, along with other officials, participated in cleaning activities at the Seetanagaram Pushkara Ghats near Prakasam Barrage, removing waste and restoring cleanliness in the area. Speaking on the occasion, Aleem Basha urged every citizen to develop awareness about cleanliness and dedicate at least one hour a week to voluntarily cleaning their home surroundings with special attention. He advised people to segregate wet and dry waste before handing it over to the sanitation workers who collect garbage daily. He also appealed to everyone to plant trees and participate in voluntary service for the betterment of their community. As part of the event, tree plantation was carried out at the Pushkara Ghat, followed by a student rally and the administration of the Swachhata Pledge. Similar activities were held across several wards in the Mangalagiri Municipal area, where ward secretariat staff, SHG members, and local residents planted trees, conducted awareness programs on plastic ban and environmental cleanliness, and organized cleanliness drives and Swachh Utsav rallies. MTMC Additional Commissioner Shakuntala, Assistant Commissioner Srinivasarao, municipal staff, ward secretariat employees, voluntary organizations, sanitation and MEPMA staff, and KL University students actively participated in the event.

National Service Scheme (NSS)

Training on Sustainable Water Management Techniques

Event : **Training on Sustainable Water Management Techniques**
Date : **01-11-2025**
Place : **Atmakur**

Objective:

The main objective to promote awareness and understanding of efficient water management techniques aimed at conserving water resources, reducing wastage, and ensuring sustainable use for present and future generations through education, community participation, and adoption of modern and traditional water-saving practices.

Description:

As per the directions of the Ministry of Youth Affairs & Sports, Government of India, and under the Gramin Swachh Bharat Mission, the NSS units of KL University (AI&DS Departments) organized an **Awareness Program on Water Management** on Saturday, November 1, 2025, at Atmakur Village, Mangalagiri Mandal. According to Dr. K.R.S. Prasad, Dean of Student Affairs at KL University, NSS volunteers, along with ANMs and ASHA workers, conducted door-to-door visits to educate villagers on the importance of water conservation, proper water utilization, and sustainable water management practices. He emphasized that unregulated water usage, wastage, and contamination of water bodies have led to severe shortages and health issues in many rural areas.

Dr. Habibullah Khan, Dean Advisor, highlighted the significance of rainwater harvesting, groundwater recharge, and the prevention of water pollution. He explained how runoff water during rains can be effectively collected and used for irrigation and household purposes. NSS Program Coordinator Dr. P. Sreekanth Reddy advised residents on measures such as fixing leaking taps, reusing grey water for gardening, and avoiding disposal of detergents and plastics into water sources. The Head of the Department further emphasized the importance of protecting natural water bodies, planting trees along bunds, and promoting community-based water management systems to ensure long-term sustainability.

The program was coordinated by Mr. P. Suresh, KL University dignitaries including Vice-Chancellor Dr. G. ParthasaradhiVarma, Pro Vice-Chancellors Dr. A.V.S. Prasad**,** Dr. N. Venkataram**,** and Dr. K**.** Rajasekhar Rao, who appreciated and congratulated the NSS volunteers for their efforts in promoting water conservation awareness.

Outcome:

The Water Management Awareness Program enhanced community knowledge about the importance of conserving and managing water resources effectively in Atmakur Village, Mangalagiri Mandal. NSS volunteers successfully educated residents on the significance of rainwater harvesting, preventing water

wastage, and keeping water sources clean and uncontaminated. The initiative motivated households to adopt sustainable water practices such as fixing leakages, reusing water for gardening, harvesting rainwater, and avoiding the dumping of waste into water bodies. Active participation from the community, along with support from local institutions, ensured the program's effectiveness and contributed to promoting a water-conscious, sustainable, and healthier environment.

Impact on Society:

The program built a sense of responsibility among the community to conserve water and use it efficiently. It promoted sustainable practices such as rainwater harvesting, preventing water wastage, and protecting natural water bodies from pollution. Collaboration between students, health workers, and residents enhanced awareness about the importance of water conservation, leading to more responsible usage and management of water resources. This collective effort contributed to building a water-conscious, sustainable, and healthier society.

National Service Scheme (NSS)

Awareness to the Public About Consumer Rights

Event : **Awareness to the Public about Consumer Rights**
Date : **22-12-2025**
Place : **Atmakur**

Objective:

The objective of creating awareness among the public about consumer rights is to educate people on their legal protections while purchasing goods and services. It aims to inform consumers about their rights to safety, information, choice, and redressed. Consumer awareness helps people identify unfair trade practices and fraud. It empowers consumers to raise complaints and seek justice through appropriate forums. The programme encourages responsible and informed purchasing decisions. Ultimately, it promotes fairness, transparency, and accountability in the marketplace.

Description:

As per the directions of the Ministry of Youth Affairs and Sports, National Service Scheme (NSS), Regional Directorate, and State NSS, the NSS Unit of the Department of AI & DS, KL University organized a public awareness programme on Consumer Rights on Monday, 22nd December 2025, at Atmakur village in Mangalagiri Mandal. This was stated by Dr. K. R. S. Prasad, Dean of Student Affairs, KL University. Speaking on the occasion, he explained that the rules and protections that consumers must follow and are entitled to while purchasing goods or availing services are known as consumer rights. He stated that consumers can seek justice under the Consumer Protection Act in cases of unfair trade practices, sale of substandard products, or deficiency in services. He added that NSS volunteers conducted door-to-door campaigns to create awareness on consumer rights and the Consumer Protection Act.

Dr. V. S. V. Prabhakar, Head of the Department of AI & DS, advised consumers to carefully check product details such as price, manufacturing date, expiry date, company information, quality, and safety before purchasing. He stated that consumers need not hesitate to file complaints at the district, state, or national-level Consumer Commissions or grievance redressal forums if they are cheated.

NSS Programme Coordinator Dr. P. Srikanth Reddy explained that consumers have the right to seek compensation by filing cases in situations involving defective products, misleading advertisements, or poor services. He emphasized the importance of choosing quality products, collecting bills, and reporting deficient services through online portals or by calling the helpline number 14404. He further explained the fee structure for filing cases in consumer forums: for claims up to ₹1 lakh – ₹100; up to ₹5 lakhs – ₹200; up to ₹10 lakhs – ₹400; up to ₹20 lakhs – ₹500; from ₹20 lakhs to ₹50 lakhs – ₹2,000; up to ₹1 crore – ₹4,000; and above ₹1 crore – ₹5,000. He added that consumers below the poverty line are exempted from paying any fee for claims up to ₹1 lakh.

NSS Programme Officer Mr. V. Jonithin informed that people from the Telugu states can directly contact the toll-free numbers 1800 11 4000 or 1915, and can also receive information through SMS by sending messages to 8800001915. Complaints can be registered online through www.consumerhelpline.gov.in, and the status of complaints can be tracked by contacting the helpline between 8:00 AM and 8:00 PM.

The programme was coordinated by NSS Field Coordinator Mr. P. Suresh. The NSS volunteers were appreciated by Vice-Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. A. V. S. Prasad, Dr. N. Venkataram, and Dr. K. Rajashekhara Rao, Dean Advisors Dr. Habibullah Khan, Registrar Dr. K. Subbarao, Principal Dr. V. Rajesh, Associate Dean Dr. Shanta Sri, and other dignitaries.

Outcome:

The consumer rights awareness programme helped villagers clearly understand their rights while purchasing goods and availing services. People became aware of checking product details such as price, quality, manufacturing and expiry dates before buying. The programme educated consumers on legal remedies available under the Consumer Protection Act in cases of fraud, defective products, or service deficiencies. Door-to-door awareness by NSS volunteers ensured effective reach and better understanding among the public. Participants gained confidence to file complaints through consumer forums, helplines, and online portals without fear. Overall, the event empowered consumers to make informed decisions and seek justice when their rights are violated.

Impact on Society:

The programme created a positive social impact by promoting consumer awareness and legal literacy. It encouraged people to stand against unfair trade practices and misleading advertisements. Increased awareness strengthened consumer confidence and accountability among sellers and service providers. The initiative contributed to reducing exploitation of consumers in rural areas. It fostered a culture of responsible buying and ethical business practices. In the long run, such programmes help build a fair, transparent, and consumer-friendly society.

Sakshi E-Paper:

Awareness on Consumer Rights

Mangalagiri Town: Dr. K. R. S. Prasad, Dean of Student Affairs, KL University, advised consumers to be aware of their rights and responsibilities. On Monday, under the aegis of the University NSS and AI&DS departments, volunteers conducted a door-to-door awareness programme in Atmakur village of Mangalagiri Mandal on the Consumer Protection Act. The volunteers educated consumers about the details they should check while purchasing products, such as product information, price, date of manufacture, expiry date, company details, quality, and related aspects. Speaking on the occasion, Dr. K. R. S. Prasad explained that consumers have the right to file cases and seek legal compensation in instances of losses caused by substandard products, misleading advertisements, and deficiency in services. He also informed that complaints can be lodged by calling the helpline numbers 1800 114000, 880001915, and 1915. The NSS Programme Coordinator Dr. Srikanth Reddy, Programme Officer Jonathan, Field Coordinator Suresh, and the volunteers who participated in the programme were appreciated by University Vice-Chancellor Dr. G. Parthasaradhi Varma; Pro Vice-Chancellors Dr. A. V. S. Prasad, Dr. K. Rajasekhara Rao, and Dr. N. Venkatram; and Dean Dr. Habibullah Khan, among others.

Eenadu E-Paper:

Awareness on Consumer Rights

Tadepalli, Newstoday: KL University students created awareness among rural people on consumer rights on Monday. Under the aegis of the NSS department, students at Atmakur explained that the rules to be followed while purchasing goods and availing services are known as consumer rights. They stated that having awareness of these rights enable consumers to seek appropriate legal assistance when they are cheated by purchasing substandard products. KL University Dean of Student Affairs Dr. K. R. S. Prasad, Dr. V. S. Prabhakar, Srikanth Reddy, and others participated in the programme.

National Service Scheme (NSS)

Awareness on Sexual Harassment and its Prevention

Event : **Awareness on Sexual Harassment and its Prevention**
Date : **24-01-2026**
Place : **Tummapudi**

Objective:

The objective of creating awareness on sexual harassment and its prevention is to educate people about what constitutes sexual harassment. It aims to inform individuals about their rights, legal protections, and available complaint mechanisms. The programme seeks to encourage victims to speak up without fear or stigma. It promotes respect, dignity, and equality in society and workplaces. Awareness helps in preventing harassment through responsible behavior and sensitivity. Overall, the objective is to ensure a safe, secure, and harassment-free environment for all.

Description:

As per the guidelines of the Ministry of Youth Affairs & Sports, Government of India, NSS volunteers of KL University organized an awareness program on Sexual Harassment and Its Prevention at Tummapudi village on Saturday, January 24, 2026. University Dean of Student Affairs Dr. K. R. S. Prasad stated that the initiative was conducted as part of the awareness activities undertaken by the AI & DS NSS volunteers.

The volunteers educated villagers on the concept of sexual harassment and its various forms, including verbal, physical, non-verbal, and online harassment, explained NSS Programme Coordinator Dr. P. Srikanth Reddy. The session highlighted the importance of mutual respect, understanding consent, and adhering to ethical conduct in society. Preventive strategies, relevant legal provisions, and the importance of reporting incidents without fear were also explained. NSS Programme Officer V. Jonathan noted that details of helpline numbers and institutional support systems were shared to help victims seek protection and justice.

AI & DS Head of the Department Dr. V. S. V. Prabhakar remarked that the villagers showed active participation and keen interest throughout the session by engaging with the volunteers and clarifying their queries. NSS Field Coordinator P. Suresh served as the event coordinator and ensured the smooth execution of the program.

The efforts of the NSS volunteers were appreciated by University Vice-Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. A. V. S. Prasad, Dr. N. Venkatram, and Dr. K. Rajasekhara Rao, Associate Dean Dr. Shantisri, along with the village Sarpanch.

Outcome:

The awareness program significantly enhanced the understanding of villagers regarding sexual harassment and its various forms, including verbal, physical, non-verbal, and online harassment. Participants became more aware of the importance of mutual respect, ethical behavior, and the concept of consent in daily life. The session helped reduce fear and stigma associated with reporting incidents of harassment. Villagers gained clear knowledge about preventive measures and relevant legal provisions. Information on helpline numbers and institutional support systems empowered victims to seek timely help and justice. Overall, the program contributed to creating a safer, more informed, and socially responsible community.

Impact on Society:

The awareness program fostered a culture of respect, dignity, and gender sensitivity within the community. It helped break the silence around sexual harassment by encouraging open discussion and awareness among villagers. The program strengthened community confidence in legal and institutional support mechanisms. By promoting knowledge of consent and ethical behavior, it contributed to improved social attitudes and safer interactions. Increased awareness empowered individuals to stand against harassment and support victims. Overall, the initiative played a vital role in building a safer, more inclusive, and socially responsible society.

National Service Scheme (NSS)

Awareness on Single Use Plastic

Event : **Awareness on Single Use Plastic**
Date : **29-01-2026**
Place : **Godavarru**

Objective:

The objective of creating awareness on single-use plastic is to educate people about the harmful effects of plastic on the environment and human health. The programme aims to encourage individuals to reduce the use of single-use plastic items such as bags, cups, and bottles. It promotes the adoption of eco-friendly alternatives like cloth bags and reusable materials. The awareness campaign also highlights the importance of proper waste management and recycling. It motivates people to take responsibility for protecting nature and maintaining cleanliness. Overall, the programme supports the goal of building a sustainable and pollution-free environment.

Description:

As per the directions of the Ministry of Youth Affairs & Sports, Government of India, in Godavarru Village on Thursday, 29-01-2026, NSS volunteers from KL University conducted an awareness program on Awareness on Single Use of Plastic at Godavarru Village, announced University NSS Program Coordinator Dr. P. Srikanth Reddy. He mentioned that this activity was organized as part of the awareness program by the AI&DS NSS volunteers.

As part of the program, the volunteers created awareness among the local residents about single-use plastic, its common forms such as plastic bags, bottles, cups, straws, and packaging materials, and its long-term impact on soil, water bodies, marine life, and public health. They explained the importance of reducing plastic consumption, reusing materials, and recycling waste. The volunteers also guided villagers on adopting eco-friendly alternatives like cloth bags, steel bottles, and biodegradable products. Information regarding proper waste segregation, composting and local waste collection practices was shared to encourage responsible disposal. The volunteers emphasized the role of each individual in minimizing plastic pollution and maintaining cleanliness in their surroundings.

AI&DS Head of the Department, Dr. V. S. V. Prabhakar, stated that the villagers actively participated in the awareness session and showed keen interest by interacting with the volunteers and clarifying their doubts. NSS Field Coordinator Mr.P. Suresh acted as the event coordinator and ensured the smooth conduct of the program. The volunteers received encouragement and appreciation from University Vice-Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. A. V. S. Prasad, Dr. N. Venkatram, and Dr. K. Rajasekhara Rao, Dean of Student Affairs Dr. K. R. S. Prasad, Advisor Dr. Habeebullah Khan, and the village Sarpanch for their sincere efforts in organizing and successfully conducting the single-use plastic awareness program

Outcome:

The single-use plastic awareness program created a significant impact by improving understanding of environmental protection, responsible consumption, and waste management practices among community members. Residents were motivated to reduce plastic usage, adopt sustainable alternatives, follow proper disposal methods, and contribute toward maintaining a clean environment.

Impact on Society:

The awareness program encouraged people to build a cleaner and greener society by promoting environmental responsibility, sustainable living practices, and community participation. Active involvement from residents and volunteers helped foster a culture of cleanliness and environmental care, leading to a more conscious, informed, and responsible community.

Single-Use Plastic Poses Cancer Risk

Duggirala, January 29 (Andhra Prabha): Dr. K.R.S. Prasad, Dean of Student Affairs at KL University, stated that the use of single-use plastic may increase the risk of cancer. An awareness program was conducted on Thursday in Godavarru village of Duggirala mandal under the aegis of NSS, AI, and DS departments to educate the public about the harmful effects of single-use plastics. During the program, volunteers explained that plastic has become a part of daily life. They informed the public that when hot food items are packed in plastic covers, the heat can cause the plastic to melt and release microplastic particles. These particles may enter the human body and act as cancer-causing agents. P. Suresh served as the coordinator of the program. The volunteers were appreciated by the University management and Heads of Departments (HODs).

National Service Scheme (NSS)

"Campaign on GPS Tracker for Vehicle Safety"

Event : **Campaign on GPS Trackers for Vehicle Safety**
Date : **16-02-2026**
Place : **Atmakur**

Objective:

The main objective of creating awareness on GPS trackers for vehicle safety is to educate individuals about the importance of installing GPS tracking systems in vehicles to enhance safety, prevent theft, enable real-time monitoring, ensure quick emergency response, and promote responsible vehicle usage. The campaign aims to inform people about the benefits, legal aspects, and practical applications of GPS technology in ensuring personal and public safety.

Description:

As per the directions of the Ministry of Youth Affairs and Sports, Government of India, along with the Regional Directorate and State NSS, the NSS Unit of KL University in association with the Department of AI&DS organized an awareness program on GPS Trackers for Vehicle Safety on Monday, 16-02-2026, in Atmakur village of Mangalagiri Mandal. Dean of Student Affairs, Dr. K.R.S. Prasad, stated that the program was conducted by NSS volunteers as part of their community outreach activities.

AI&DS Head of the Department, Dr. V.S.V. Prabhakar, mentioned that the volunteers, organized in groups, conducted door-to-door visits to explain the working of GPS (Global Positioning System). They educated vehicle owners on how GPS helps in real-time tracking of vehicle movement, prevention of theft, ensuring the safety of drivers and passengers, and providing assistance during emergencies such as accidents or breakdowns.

NSS Program Coordinator, Dr. P. Srikant Reddy, explained that the volunteers also created awareness among villagers about the benefits of GPS tracking in school buses, public transport, and private vehicles. They provided information on features such as emergency alerts, route tracking, geo-fencing, and mobile app monitoring, highlighting how technology enhances road safety and accountability.

NSS Program Officer, V. Jonithin, stated that villagers actively participated in the session and showed keen interest by asking questions about installation procedures, costs, and practical usage. NSS Field Coordinator P. Suresh coordinated the event and ensured its smooth execution.

The volunteers were appreciated for their service by University Vice-Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkatram, and Dr. K. Rajasekhara Rao, Registrar Dr.K.Subbarao, Principal Dr.V.Rajesh along with Advisor Dr. Habeebullah Khan and others.

Outcome:

The GPS tracker awareness campaign created a positive impact by improving understanding of vehicle safety technologies among community members. Residents gained knowledge about theft prevention, emergency response systems, and real-time vehicle monitoring. Many participants expressed interest in adopting GPS tracking systems to ensure the safety of their vehicles and family members.

Impact on Society:

The GPS tracker awareness campaign encouraged the community to adopt modern technology for enhancing road safety and security. By promoting awareness about preventive safety measures and responsible vehicle usage, the program contributed to building a safer, more technologically informed, and security-conscious society. Active participation from residents and volunteers helped strengthen community awareness regarding the importance of vehicle monitoring and public safety.

National Service Scheme (NSS)

"Motivation for Discipline, Good Language & Career"

Event : **Motivation for Discipline, Good Language & Career**
Date : **17-02-2026**
Place : **Atmakur**

Objective:

The main objective of creating awareness on discipline is to educate individuals about the importance of self-control, responsibility, punctuality, respect for rules and regulations, maintaining positive behavior, developing moral values, strengthening character, improving personal and professional life, and building a well-organized and harmonious society.

Description:

As per the directions of the Ministry of Youth Affairs and Sports, Government of India, along with the Regional Directorate and State NSS, the NSS Unit of KL University in association with the Department of AI&DS organized an awareness program on Discipline, Good Communication Skills, and Career Guidance on Tuesday, 17-02-2026, at the Zilla Parishad High School in Atmakur village of Mangalagiri Mandal. Dean of Student Affairs, Dr. K.R.S. Prasad, stated that the program was conducted by NSS volunteers for the benefit of students.

AI&DS Head of the Department, Dr. V.S.V. Prabhakar, explained that through career guidance, students were encouraged to set clear goals for their future and work towards them by developing the necessary knowledge and skills to achieve a successful career. NSS Program Coordinator, Dr. P. Srikant Reddy, mentioned that special guidance was provided to students on time management and goal setting. He also explained, with examples, how good habits positively influence daily life and contributes to personal development.

NSS Program Officer, V. Jonithin, stated that students were made aware of the importance of selecting the right information in the digital age and using it effectively. He added that the program helped students develop a clear vision for their future along with a sense of responsibility.

The event was coordinated by NSS Field Coordinator P. Suresh, who ensured its smooth execution. The volunteers were appreciated for their service by University Vice-Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkatram, and Dr. K. Rajasekhara Rao, Registrar Dr.K.Subbarao, Principal Dr.V.Rajesh along with Advisor Dr. Habeebullah Khan and other.

Outcome:

The outcome of the program was highly beneficial as students gained awareness about discipline, effective communication, and career planning. They developed a better understanding of time management and goal setting for achieving success. The session also helped them adopt positive habits and improve their confidence in daily life. Overall, the program motivated students to focus on their future with clarity and responsibility.

Impact on Society:

The program has a positive impact on society by guiding students toward disciplined behavior and responsible citizenship. It helps in building a skilled and goal-oriented youth who can contribute effectively to society. The awareness on communication and career planning enhances their confidence and future opportunities. Overall, it contributes to the development of a knowledgeable, responsible, and progressive society.

National Service Scheme (NSS)

"PCOD/PCOS Awareness & Prevention"

Event : PCOD/PCOS Awareness & Prevention

Date : 18-02-2026

Place : Atmakur

Objective:

The objective of the PCOD/PCOS Awareness & Prevention program is to educate individuals, especially young women, about the causes, symptoms, and risks associated with Polycystic Ovary Syndrome. It aims to promote early detection and encourage healthy lifestyle practices such as balanced diet, regular exercise, and stress management. The program also focuses on reducing stigma and improving understanding of hormonal health. Overall, it empowers individuals to take preventive measures and seek timely medical support.

Description:

As per the directions of the Ministry of Youth Affairs and Sports, Government of India, along with the Regional Directorate and State NSS, the NSS Unit of KL University in association with the Department of AI&DS organized an awareness program on PCOD/PCOS for women on Wednesday, 18-02-2026, in Atmakur village of Mangalagiri Mandal. Dean of Student Affairs, Dr. K.R.S. Prasad, stated that the program was conducted by NSS girl volunteers to create awareness about these health issues among women.

AI&DS Head of the Department, Dr. V.S.V. Prabhakar, explained that PCOD and Polycystic Ovary Syndrome are hormonal disorders that commonly affect women of reproductive age. The volunteers educated women about the major causes such as hormonal imbalance, unhealthy lifestyle, stress, obesity, and genetic factors. They also explained common symptoms including irregular periods, excessive hair growth, acne, weight gain, hair loss, and difficulties in pregnancy. NSS Program Coordinator, Dr. P. Srikant Reddy, mentioned that awareness was created on preventive and management measures such as maintaining a balanced diet, engaging in regular exercise, practicing yoga and meditation to reduce stress, maintaining healthy body weight, and consulting doctors when necessary. Special emphasis was given to adolescent girls and young women to recognize early symptoms and take timely precautions.

NSS Program Officer, V. Jonithin, added that the program also highlighted the importance of selecting reliable information in the digital age and using it effectively. He stated that the initiative helped participants develop better awareness, responsibility, and a clear understanding of their health and well-being. The event was coordinated by NSS Field Coordinator P. Suresh, who ensured its smooth execution. The volunteers were appreciated for their service by University Vice-Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkatram, and Dr. K. Rajasekhara Rao, along with Registrar Dr. K. Subba Rao, Principal Dr. V. Rajesh, Advisor Dr. Habeebullah Khan, and others.

Outcome:

The outcome of the program was highly effective as women gained awareness about Polycystic Ovary Syndrome and its causes, symptoms, and preventive measures. They understood the importance of maintaining a healthy lifestyle, including proper diet and regular exercise. The session encouraged early identification of symptoms and seeking timely medical advice. Overall, the program empowered women with knowledge to manage their health better and prevent complications.

Impact on Society:

The program creates a positive impact on society by increasing awareness about Polycystic Ovary Syndrome and promoting women's health and well-being. It encourages early diagnosis and healthy lifestyle practices, reducing long-term health complications. The initiative also helps break social stigma and improves open discussion about hormonal health issues. Overall, it contributes to building a healthier, more informed, and empowered society.

National Service Scheme (NSS)

"Campaign on the Harmful Effects of Junk Food"

Event : Campaign on the Harmful Effects of Junk Food
Date : 19-02-2026
Place : Atmakur

Objective:

The objective of the campaign on the harmful effects of junk food is to create awareness about the negative impact of unhealthy eating habits on health. It aims to educate people about issues such as obesity, poor nutrition, and lifestyle-related diseases caused by excessive junk food consumption. The program encourages individuals to adopt balanced diets and make healthier food choices. Overall, it promotes a healthy lifestyle and long-term well-being among the community.

Description:

As per the directions of the Ministry of Youth Affairs and Sports, Government of India, along with the Regional Directorate and State NSS, the NSS Unit of KL University in association with the Department of AI&DS organized an awareness program on the harmful effects of junk food on Thursday, 19-02-2026, in Atmakur village of Mangalagiri Mandal, as part of the special camp. Dean of Student Affairs, Dr. K.R.S. Prasad, stated that the program was conducted by NSS volunteers for the students of Zilla Parishad High School.

AI&DS Head of the Department, Dr. V.S.V. Prabhakar, explained the harmful effects of junk food, particularly the damage caused by high levels of fat, salt, and sugar. He stated that excessive consumption of junk food can lead to serious health problems such as obesity, heart disease, and diabetes.

NSS Program Coordinator, Dr. P. Srikant Reddy, said that students, youth, and parents were advised to adopt healthy food habits and to choose nutritious foods like fruits, vegetables, and nuts instead of fast food. He also emphasized that homemade food is more beneficial for health.

NSS Program Officer, V. Jonithin, explained that such awareness programs play an important role in developing a sense of responsibility toward health in society and help in promoting a healthier lifestyle for everyone. The event was coordinated by NSS Field Coordinator P. Suresh, who ensured its successful conduct.

The volunteers were appreciated for their service by University Vice-Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkatram, and Dr. K. Rajasekhara Rao, along with Registrar Dr. K. Subba Rao, Principal Dr. V. Rajesh, Advisor Dr. Habeebullah Khan, and others.

Outcome:

The outcome of the program was effective as students gained awareness about the harmful effects of junk food on health. They understood the risks of diseases such as obesity, diabetes, and heart problems caused by unhealthy eating habits. The session encouraged them to adopt nutritious food choices and prefer homemade meals. Overall, the program promoted healthy eating habits and improved awareness about maintaining a balanced diet.

Impact on Society:

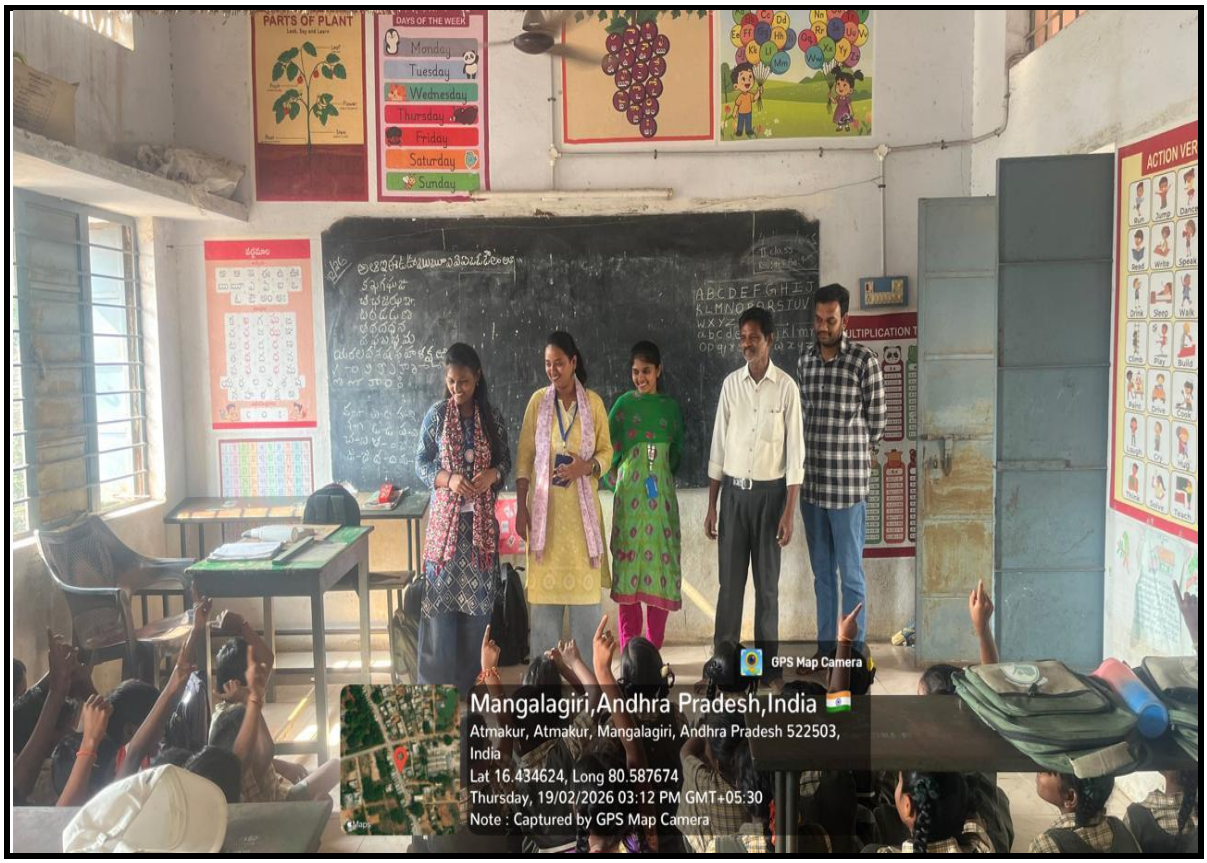

The program positively impacts society by promoting awareness about healthy eating habits and reducing the consumption of junk food. It helps in preventing lifestyle-related diseases such as obesity, diabetes, and heart problems. The initiative encourages families and communities to adopt nutritious diets and make better food choices. Overall, it contributes to building a healthier and more conscious society.

Stay Away from Junk Food

Mangalagiri Town: KLU NSS Program Officer Dr. V. Jonathan advised students to stay away from junk food. As part of the NSS special camp held on Thursday at Atmakuru village in Mangalagiri mandal, an awareness program was conducted for the students of Vadderapalem Primary Upper Primary School on the health problems caused by junk food. Speaking on the occasion, NSS representatives explained that junk food contains high amounts of salt, spice, sugar, oil, and masala, which can lead to various health issues. They stated that consuming junk food can cause diabetes, obesity, high blood pressure, overweight, and fatty liver problems even at a young age. They suggested that students can stay healthy by consuming nutritious food. NSS Program Coordinator Dr. P. Srikant Reddy, Head of the Department Dr. VSP Prabhakar, Coordinator Suresh, and others participated in the program.

Sureya E-Paper

Health Problems Caused by Junk Food

Surya Representative, Mangalagiri – KV Narayana

University NSS Program Officer Dr. V. Jonathan stated that junk food, which contains excessive amounts of salt, spice, sugar, oil, maida, and masala, can lead to serious health problems. As part of the NSS special camp being conducted at Atmakuru under the leadership of the AI & DS Department, NSS volunteers organized an awareness program on Thursday for the students of Vadderapalem Primary Upper Primary School, said Head of the Department Dr. VSV Prabhakar. NSS Program Coordinator Dr. P. Srikant Reddy explained that junk food can cause obesity, diabetes, high blood pressure, heart problems, digestive issues, overweight, and fatty liver even at a young age. He emphasized that maintaining a healthy diet with nutritious food can help people stay healthy. P. Suresh served as the coordinator for the camp.

National Service Scheme (NSS)

"Awareness to Workers on E-Shram Registration"

Event : **Awareness to Workers on E-Shram Registration**

Date : **20-02-2026**

Place : **Atmakur**

Objective:

The objective of creating awareness among workers on E-Shram Registration is to inform them about the benefits of enrolling in the E-Shram portal. It aims to help unorganized sector workers gain access to social security schemes and government welfare benefits. The program also encourages workers to register themselves to ensure financial support during emergencies. Additionally, it seeks to empower workers with knowledge about their rights and improve their overall livelihood and security.

Description:

As per the directions of the Ministry of Youth Affairs & Sports, Government of India, along with the Regional Directorate and State NSS, the NSS Unit of KL University (AI&DS) organized an awareness program on e-SHRAM registration on Friday, 20-02-2026, in Atmakur village as part of its special camp. Dean of Student Affairs, Dr. K.R.S. Prasad, stated that the program was conducted by NSS volunteers as part of their community outreach activities.

AI&DS Head of the Department, Dr. V.S.V. Prabhakar, explained that e-Shram is a national initiative launched by the Government of India to support and empower workers in the unorganized sector. He stated that the portal serves as a centralized digital platform for registering workers such as construction laborers, street vendors, domestic workers, migrant workers, gig workers, and daily wage earners. By collecting essential details like occupation, skills, address, and bank information, the portal helps in understanding the workforce distribution across the country.

NSS Program Coordinator, Dr. P. Srikant Reddy, mentioned that every registered worker is provided with a Universal Account Number (UAN), which enables easy access to various social security and welfare schemes. He added that the initiative plays a vital role in improving financial security, reducing vulnerability, and enhancing the living standards of workers. It also supports better policy planning, disaster management, and employment generation.

The program was coordinated by NSS Field Coordinator P. Suresh, who ensured its smooth execution. The volunteers were appreciated for their efforts by University Vice-Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkatram, and Dr. K. Rajasekhara Rao, along with Registrar Dr. K. Subba Rao, Principal Dr. V. Rajesh, Advisor Dr. Habeebullah Khan, and the village Sarpanch for successfully organizing and conducting the e-SHRAM awareness program.

Outcome:

The outcome of the program was effective as villagers gained awareness about the benefits and registration process of the e-SHRAM portal. Many unorganized workers understood the importance of obtaining a Universal Account Number (UAN) for accessing welfare schemes. The session encouraged them to register and secure social and financial support from the government. Overall, the program improved awareness and participation in social security initiatives among the community.

Impact on Society:

The program has a positive impact on society by improving awareness about social security schemes for unorganized workers. It helps in increasing registrations under e-SHRAM, ensuring better access to welfare benefits and financial support. The initiative contributes to reducing economic vulnerability and improving the living standards of workers. Overall, it supports inclusive growth and strengthens social welfare in the community.

National Service Scheme (NSS)

"Risks of Using Medicines without Prescription"

Event : Risks of Using Medicines without Prescription

Date : 21-02-2026

Place : Atmakur

Objective:

The objective of the awareness program on the risks of using medicines without a prescription is to educate people about the dangers of self-medication. It aims to highlight the potential health risks such as incorrect dosage, side effects, and drug interactions. The program also encourages individuals to consult qualified healthcare professionals before taking any medication. Overall, it promotes safe and responsible use of medicines for better health outcomes.

Description:

As per the directions of the Ministry of Youth Affairs & Sports, Government of India, along with the Regional Directorate and State NSS, the NSS Unit of KL University (AI&DS) organized an awareness program on "Unusual Intake of Medication" on Saturday, 21-02-2026, in Atmakur village as part of its special camp. Dean of Student Affairs, Dr. K.R.S. Prasad, stated that the program was conducted by NSS volunteers as part of their community outreach activities.

AI&DS Head of the Department, Dr. V.S.V. Prabhakar, explained that volunteers conducted door-to-door visits to educate people about unsafe medication practices such as taking medicines without a prescription, exceeding the recommended dosage, stopping treatment midway, and mixing medicines without medical advice. He highlighted that such practices can lead to allergic reactions, organ damage, drug resistance, and serious health complications.

NSS Program Coordinator, Dr. P. Srikant Reddy, mentioned that the volunteers advised people to consult doctors before taking any medication, carefully read labels and dosage instructions, avoid sharing medicines with others, and store medicines properly. He also emphasized that antibiotics should not be used unnecessarily, as misuse can lead to antibiotic resistance.

NSS Program Officer, V. Jonithin, stated that the villagers actively interacted with the volunteers and clarified their doubts regarding safe medication practices. The program was coordinated by NSS Field Coordinator P. Suresh, who ensured its smooth execution.

The volunteers were appreciated for their efforts by University Vice-Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkatram, and Dr. K. Rajasekhara Rao, along with Registrar Dr. K. Subba Rao, Principal Dr. V. Rajesh, Advisor Dr. Habeebullah Khan, and the village Sarpanch for successfully organizing and conducting the awareness program.

Outcome:

The outcome of the program was effective as people gained awareness about the risks of unsafe medication practices. They understood the importance of taking medicines only with proper medical guidance and following correct dosages. The session helped in reducing misconceptions about self-medication and antibiotic misuse. Overall, the program promoted safe and responsible use of medicines among the community.

Impact on Society:

The program has a positive impact on society by promoting safe and responsible use of medicines among the public. It helps in reducing health risks caused by self-medication and improper drug usage. The awareness on antibiotic misuse also contributes to preventing drug resistance in the community. Overall, it supports the development of a healthier and more informed society.

National Service Scheme (NSS)

"Painting Work at Government Primary School"

Event : **Painting Work at Government Primary School**

Date : **22-02-2026**

Place : **Atmakur**

Objective:

The objective of the painting work at the Government Primary School is to improve the school environment and create a pleasant learning atmosphere for students. It aims to enhance the appearance of classrooms with colorful and educational visuals that encourage creativity and interest in learning. The activity also promotes cleanliness and a sense of responsibility among students and volunteers. Overall, it contributes to providing a more engaging and inspiring educational space.

Description:

As per the directions of the Ministry of Youth Affairs and Sports, Government of India, along with the Regional Directorate and State NSS, the NSS Unit of KL University in association with the Department of AI&DS carried out painting work at the Mandal Parishad Primary School in Atmakur village of Mangalagiri Mandal on Sunday, 22-02-2026, as part of the special camp. Dean of Student Affairs, Dr. K.R.S. Prasad, stated that NSS volunteers undertook this activity to improve the school environment.

He mentioned that the volunteers cleaned the school premises and classrooms, creating a neat and student-friendly atmosphere. AI&DS Head of the Department, Dr. V.S.V. Prabhakar, explained that the school building was freshly painted to enhance its appearance. In addition, the volunteers decorated classroom walls with educational and creative paintings such as nature scenes, animals, alphabets, and numbers, designed to attract young students and encourage their interest in learning.

NSS Program Coordinator, Dr. P. Srikant Reddy, stated that the activity helped provide a creative and motivating educational environment for students and also created awareness among villagers about cleanliness and the importance of school development. NSS Program Officer, V. Jonithin, highlighted that the program reflected the service spirit of NSS volunteers and contributed positively to society. The event was coordinated by NSS Field Coordinator P. Suresh, ensuring its successful execution.

The volunteers were appreciated for their efforts by University Vice-Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkatram, and Dr. K. Rajasekhara Rao, along with Registrar Dr. K. Subba Rao, Principal Dr. V. Rajesh, Advisor Dr. Habeebullah Khan, and others.

Outcome:

The outcome of the program was highly positive as the school environment was improved with cleanliness and fresh painting. Students felt more motivated and engaged due to the colorful and educational wall paintings. The activity created a better learning atmosphere and encouraged regular attendance. Overall, it enhanced both the physical infrastructure and the interest of students in education.

Impact on Society:

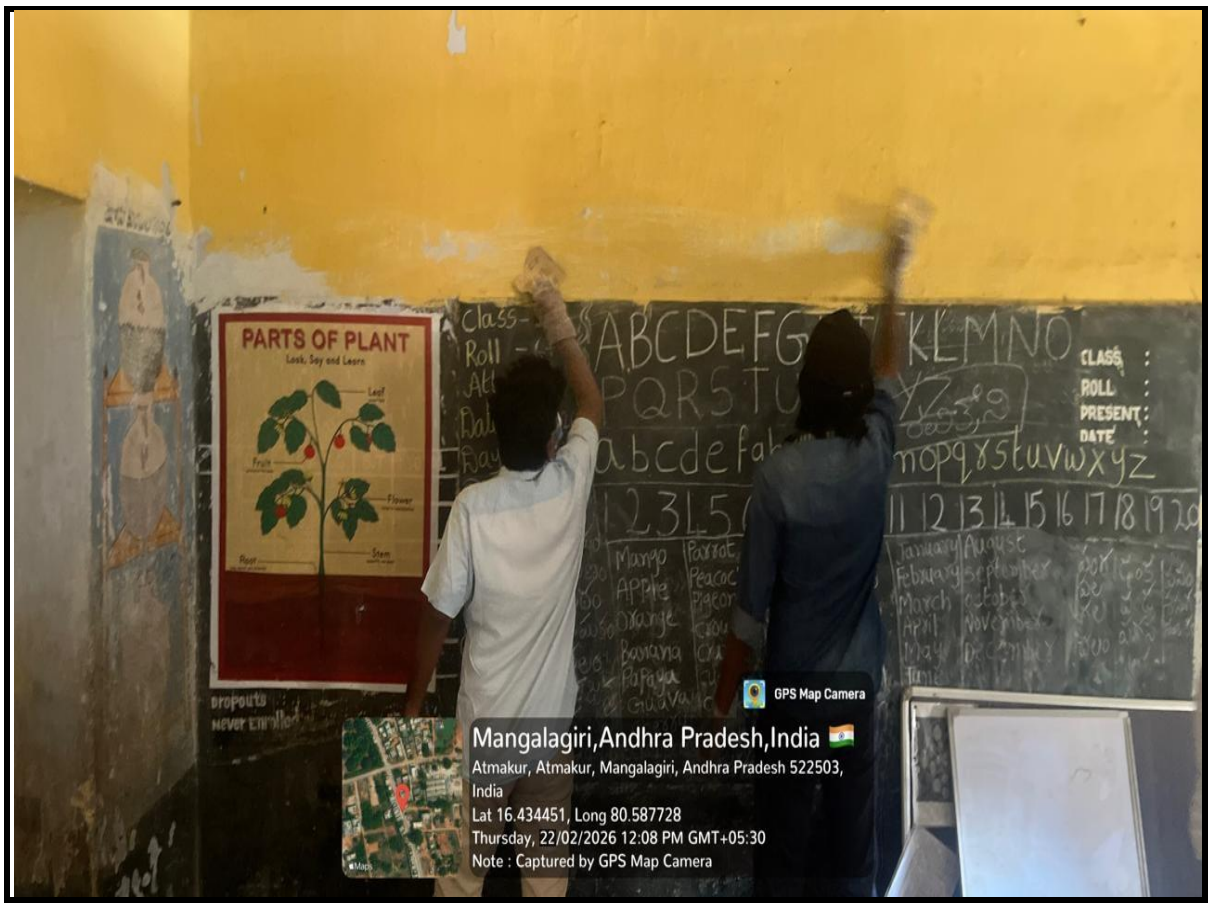

The program has a positive impact on society by improving the learning environment in government schools and supporting quality education. It encourages community participation in school development and promotes the importance of cleanliness and maintenance. The initiative also inspires students to learn in a creative and engaging atmosphere. Overall, it contributes to building a better educational foundation and a more responsible society.

National Service Scheme (NSS)

"Campaign on Women & Girl Child Safety"

Event : Campaign on Women & Girl Child Safety
Date : 14-03-2026
Place : Ramachandrapuram

Objective:

The objective of the campaign on Women & Girl Child Safety is to create awareness about personal safety, rights, and legal protections. It aims to educate women and girls on identifying risks, preventing harassment, and responding to unsafe situations. The program also promotes self-confidence and encourages reporting of crimes without fear. Overall, it strives to build a safe, secure, and supportive environment for women and girl children.

Description:

As per the directions of the Ministry of Youth Affairs and Sports, Government of India, National Service Scheme (NSS), and in accordance with the guidelines of the Regional Directorate, Hyderabad and Andhra Pradesh State NSS, the NSS Unit-5 of the AI&DS Department, KL University organized a "Campaign on Women & Girl Child Safety" on Saturday, 14th March 2026, in Ramachandrapuram village of Mangalagiri Mandal as part of the NSS Special Camp. Dean of Student Affairs, Dr. K.R.S. Prasad, stated that the program was conducted to promote awareness on safety and rights among women and girls.

Head of the AI&DS Department, Dr. V.S.V. Prabhakar, mentioned that NSS volunteers formed groups and conducted door-to-door campaigns to educate women and girls about their rights, legal protections, and safety measures. The campaign focused on empowering them with knowledge about how to respond in emergency situations and protect themselves.

NSS Program Coordinator, Dr. P. Srikant Reddy, explained that the volunteers created awareness about issues such as harassment, cyber crimes, and gender discrimination, and guided participants on how to handle such situations. He emphasized the importance of staying alert, seeking help in suspicious situations, and being aware of emergency helpline numbers.

NSS Program Officer, Mr. Jonithin, stated that the program aimed to build confidence among girls, encourage them to speak up and say "No" when necessary, and report issues to parents, teachers, or police without hesitation. Awareness was also created about safe travel, responsible use of social media, and basic self-defense techniques. He added that such initiatives play a key role in building a society where women and girls can live safely, confidently, and with dignity.

The program was successfully coordinated by NSS Field Coordinator Mr. P. Suresh. The volunteers were appreciated for their efforts by University Vice-

Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkataram, and Dr. K. Rajashekhara Rao, along with Dean Advisors Dr. Habibullah Khan, Registrar Dr. K. Subbarao, Principal Dr. V. Rajesh, Student Affairs Deans Dr. K.R.S. Prasad and Dr. Habibullah Khan, Associate Dean Dr. Shanta Sri, and other dignitaries.

Outcome:

The outcome of the program was effective as women and girls gained awareness about their rights, safety measures, and legal protections. They developed confidence to respond to unsafe situations and report incidents without fear. The session encouraged them to adopt precautionary measures in daily life and online activities. Overall, the program empowered women and girls and promoted a sense of security in the community.

Impact on Society:

The program has a strong impact on society by promoting safety, awareness, and empowerment among women and girls. It helps reduce incidents of harassment and encourages reporting of crimes. The initiative also fosters gender equality and respect within the community. Overall, it contributes to building a safer, more confident, and inclusive society.
